Independence Day Celebration

It is very significant for students to develop an understanding of India's freedom struggle, the sacrifices made by freedom fighters and the importance of upholding democratic values. It instills in them a feeling of patriotism, solidarity and fraternity.

Our school celebrated the 78th Independence Day of India with great zeal and exhilaration. Students all geared up with patriotic fervor. Students created glimpses of the glory and freedom struggle of India were presented through a plethora of performances including patriotic dances, poetry recitations, songs etc. Most memorable moments were marked by golden words of advice and motivation by worthy Principal sir. There was a great Aerial Act done by our students. The celebrations culminated with the National Anthem and a message for the students to act as responsible citizens and future leaders of the nation.
