A Message from Our Principal

Dear Students, Parents, and Members of the G.D. Goenka Family,

It is with pride and gratitude that I present this edition of our newsletter, reflecting our school community's strength and vibrant spirit.

This quarter has been a remarkable journey of holistic development. From the energetic reopening of our campus in July to the soulful celebrations of our rich traditions like Hariyali Teej and Raksha Bandhan, I have seen our students embrace our cultural heritage with joy and devotion.

Our commitment to student well-being and awareness reached new heights this term. Initiatives like the CBSE 'Sugar Board' and our comprehensive Medical Health Checkup Program in collaboration with the Health Department underline our mission to nurture not just knowledgeable, but healthy and conscious individuals.

I was particularly moved by the creativity and linguistic pride

displayed during our Hindi Diwas competitions and the heartfelt gratitude shown by students on Teacher's Day. These moments remind us that education at GD Goenka Aligarh goes beyond textbooks; it is about building character and confidence.

I am deeply humbled to receive the "Principal of the Year Award" this August. This honor belongs to our dedicated faculty and supportive parents whose collective hard work made it possible.

Moving forward, let us build a community where knowledge, values, and aspirations empower our students. Together, we will lead our School to even greater heights.

With warm regards,

(Dr. Anubhav Lodhi)

Principal
