HOLIDAY ENGAGEMENT

**JUNIOR SCHOOL
NURSERY : 2026-27**

Dear Parents and Students,

As we step into the much-awaited summer break, I would like to remind each one of you that holidays are not only a time for rest and recreation, but also an opportunity for meaningful learning and personal growth.

The holiday assignments have been thoughtfully designed to encourage students to explore, observe, create, and learn beyond the four walls of the classroom. Learning does not happen only through books; some of life's most valuable lessons emerge through real-world experiences, conversations, travel, reflection, and discovery.

Travel, in particular, can be a deeply enriching experience for young people. Exploring different places, communities, cultures, languages, traditions, and natural environments helps students develop a broader understanding of the world beyond what can be learned in textbooks. Such experiences nurture curiosity, adaptability, confidence, and real-world understanding, while also creating treasured family memories. Meaningful travel experiences also help strengthen local communities and foster a deeper appreciation for the diversity and interconnectedness of society.

As students of our school, I encourage you to carry the spirit of our **THRIVE** values wherever you go:

- **Team-Centric** – Spend quality time with family and friends, learn to cooperate, share responsibilities, and grow together.
- **Harmonious** – Respect the people, cultures, traditions, and environments you encounter during your travels and experiences, promoting understanding and mutual respect.
- **Resilient** – Embrace new experiences and challenges as opportunities to become stronger, more confident, and more adaptable learners.
- **Innovative** – Think creatively, try new activities, solve problems independently, and approach the world with curiosity and imagination.
- **Versatile** – Explore a variety of interests such as reading, travelling, art, sport, nature, or community service, and discover new talents and passions.
- **Empathetic** – Be kind, considerate, and mindful towards others, appreciating the efforts and contributions of people within your community and society.

I encourage all students to complete their holiday assignments sincerely and creatively. Let your work reflect not only knowledge, but also imagination, observation, and personal experiences.

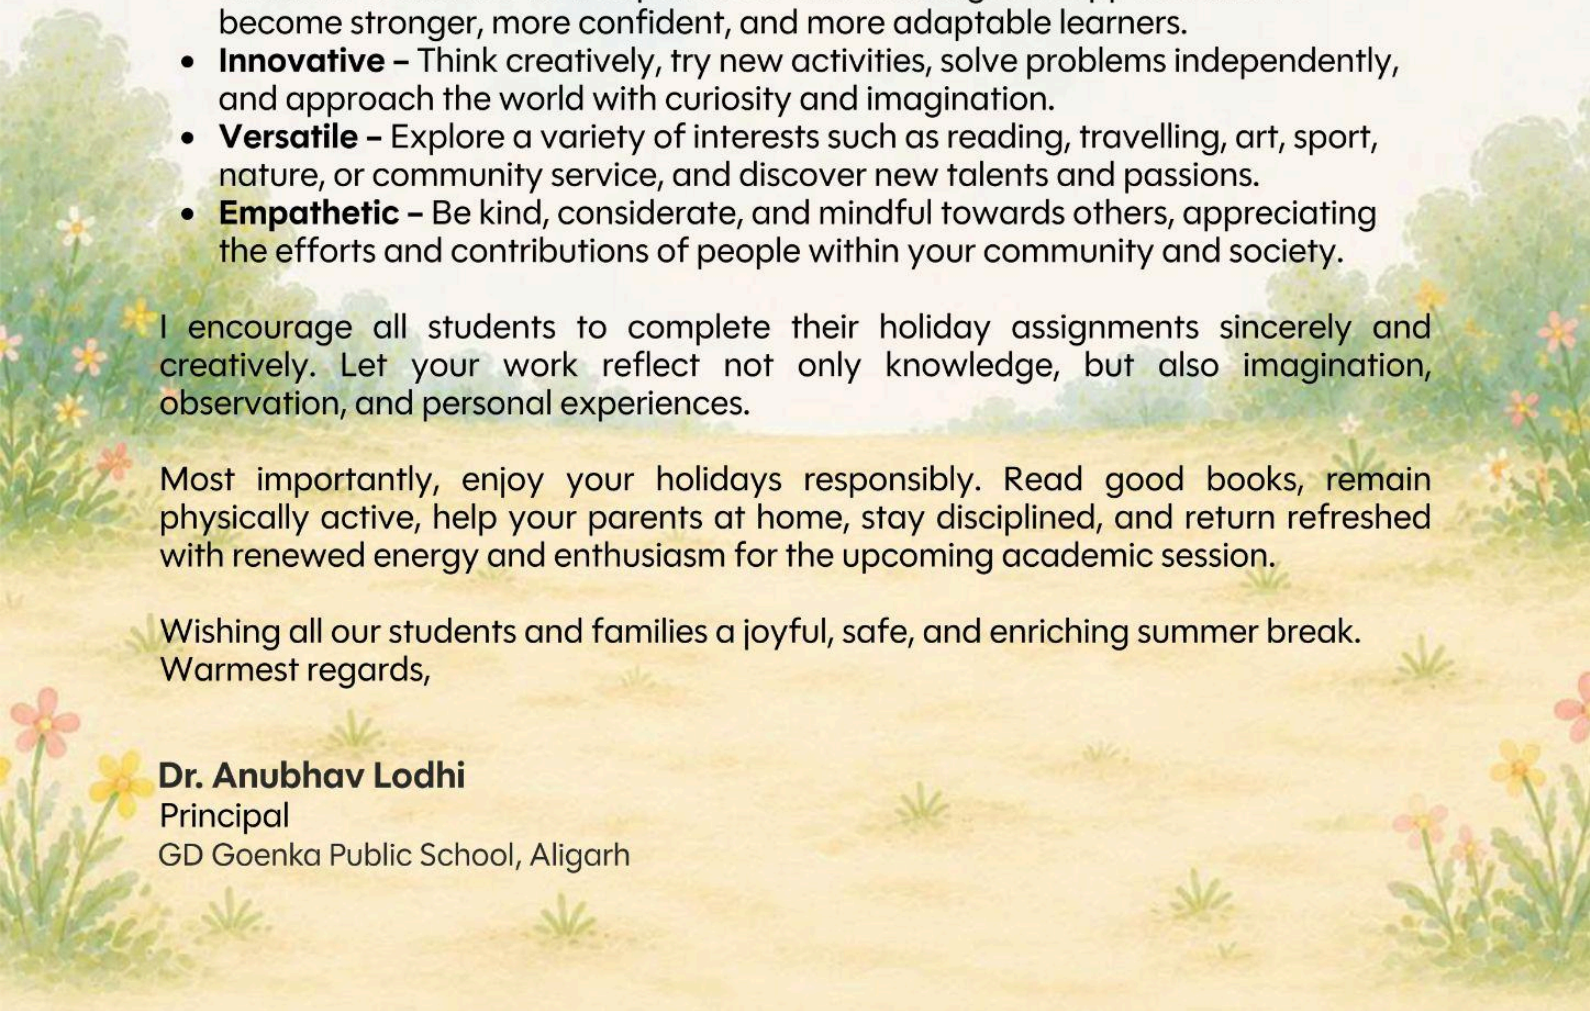

Most importantly, enjoy your holidays responsibly. Read good books, remain physically active, help your parents at home, stay disciplined, and return refreshed with renewed energy and enthusiasm for the upcoming academic session.

Wishing all our students and families a joyful, safe, and enriching summer break.
Warmest regards,

Dr. Anubhav Lodhi

Principal

GD Goenka Public School, Aligarh

LIFE SKILLS

THEME

Kitchen Helpers
Fresh Food
Helpers!

LEARNING OUTCOME

Problem-solving, fine and gross motor skills, hand-eye coordination, healthy eating habits, food safety awareness, teamwork and communication, critical thinking, and creativity.

FRUIT AND VEGGIE SORTING!

Let's help sort fruits and vegetables! Can you put the apples in one basket and the carrots in another? We can identify the different colours and shapes together!

Click lots of pictures of fruits and vegetables and create fridge magnets!

LIFE SKILLS

THEME

My Environment

Nurturing young explorers!

LEARNING OUTCOME

Curiosity, measurement skills, observation and recording, patience and responsibility, and scientific inquiry into plant growth.

SEED WATCHERS!

"Let's plant seeds in a pot! Every day, we'll water them and watch them grow. We can draw pictures of what we see happening. Record your observations in a special book by drawing or taking pictures!"

LIFE SKILLS

THEME

Helping Hands

LEARNING OUTCOME

Fine motor skills, teamwork and communication, responsibility, and independence.

DIRTY CLOTHES BASKET!

Let's put our dirty clothes in the basket! Can you find the basket and put your shirt or socks in it? Help Mom or Dad wash them clean!

This activity promotes responsibility and helps develop good habits in little ones!

LIFE SKILLS – “MY LITTLE PLAN FOR A BIG, BRIGHT DAY!”

Instructions: Paste this chart on your study table. Track your daily routine for 20 days by ticking off each activity you complete. Give yourself one star sticker for each activity. Find out which day you earned the most stars and reflect on what made it successful.

Learning Outcomes: Responsibility, self-care, self-esteem, self-confidence, and independence.

[illegible]

EXPERIENTIAL LEARNING - DISCOVER THE LEGACY

MUSEUM

**NATIONAL RAIL
MUSEUM**

CHANAKYAPURI,
NEW DELHI

LEARNING OUTCOME

- Develop awareness of basic transportation concepts, especially railways, and their importance in everyday life.
- Improve sensory and observational skills through interactive exhibits and exploration.
- Enhance vocabulary related to trains and travel (e.g., engine, coach, tracks, station).
- Recognize different types of trains (steam, electric, and modern) through visual observation.
- Express their experiences creatively through drawing, storytelling, or craft activities related to the visit.

STEM

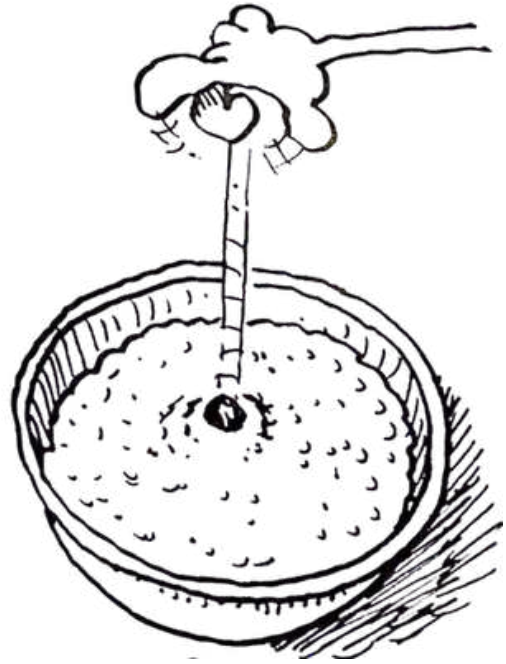

LEARNING

EXPERIMENT

Crater Than Thou

THINGS REQUIRED

- Large bowl •
- Flour
- Large marble •
- Small marble
- Tennis ball

STEPS TO FOLLOW

- Fill the bowl with flour and gently pat it down. Make the top smooth.
- From a height, drop a large marble into the middle of the flour. What do you notice?
- Smooth the flour again and repeat Step 2 with a smaller marble. What do you notice?
- Now smooth the flour again and repeat Step 2 with the tennis ball. What do you notice?

LEARNING OUTCOME

- **Observe and Compare Changes**

Notice the different holes (craters) made by objects of different sizes.

- **Understand Cause and Effect**

Learn that bigger or heavier objects make larger holes.

- **Practice Fine Motor Skills**

Carefully hold, drop, and handle marbles and a tennis ball.

- **Relate the Experiment to the Real World**

Learn that craters on Earth and the Moon are formed by space rocks (asteroids) in a similar way.

SCIENTIFIC CONCEPT

Craters are formed in a way similar to this experiment. The larger the object, the greater the force with which it hits the Earth, and the larger the crater it forms. When asteroids hit the Earth, they act in the same way as the marble did in the flour.

NURSERY SUMMER READING

Dear Parents,

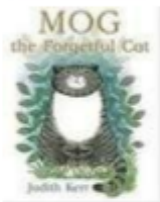

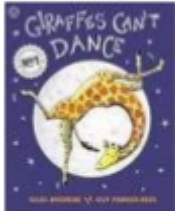

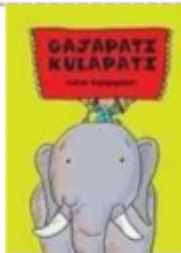

Summer reading for little Goenkans—it's important! Research shows that children who read are better prepared for the academic school year and are less likely to experience the "summer slide" — the loss of reading and learning skills during the summer holidays.

Make reading during "down time" an opportunity for family members to bond together. Attached is a curated book list with links for your review. Please choose books that interest your child.

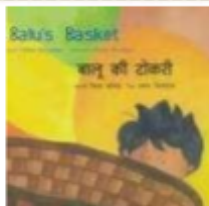

Happy, relaxed reading!

Matching

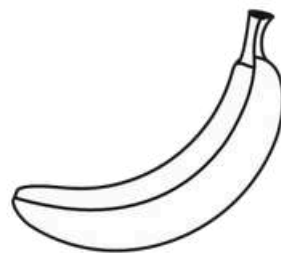

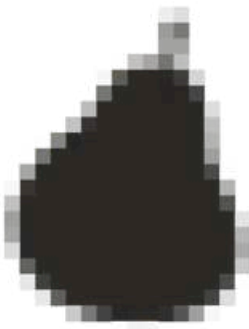

Draw a line to the matching picture

pomegranate

pear

banana

Matching

Draw a line to the matching whole picture

peach

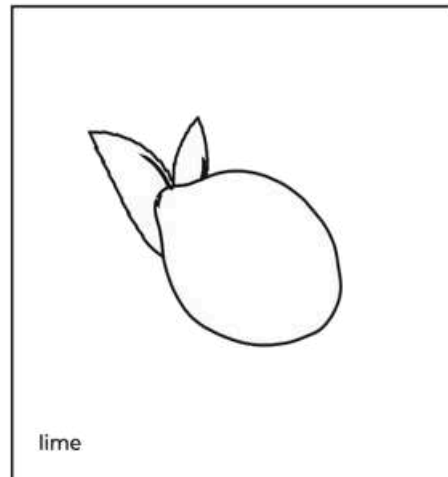

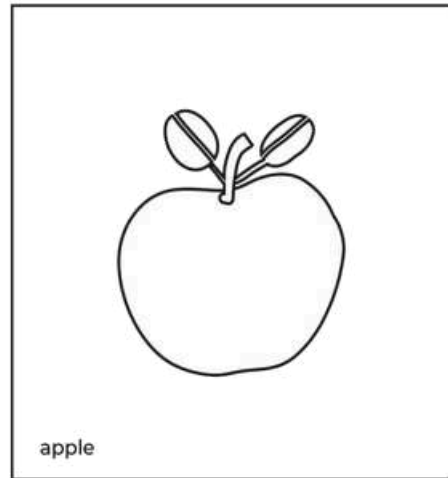

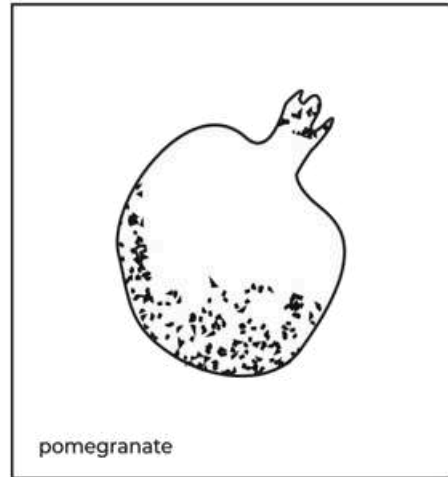

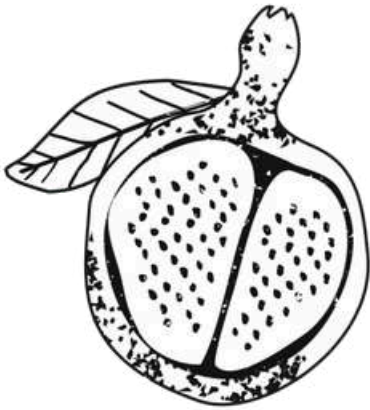

papaya

pear

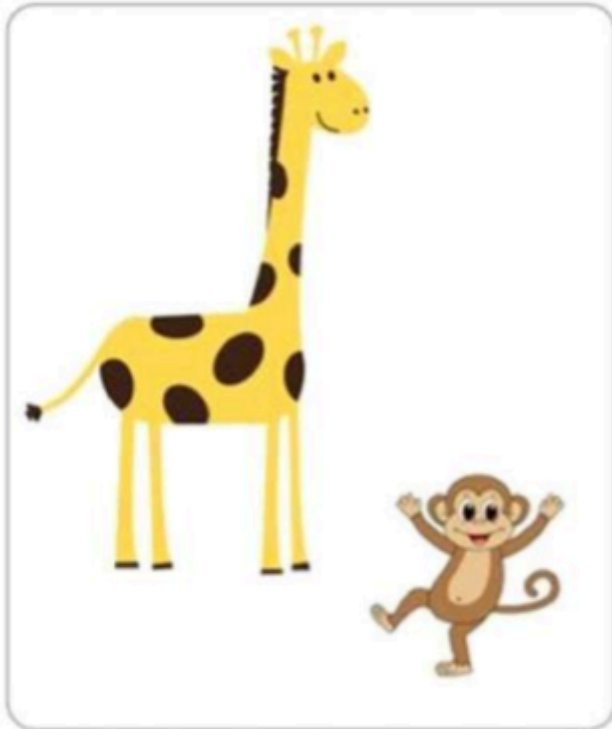

Matching

Draw a line to the matching whole picture

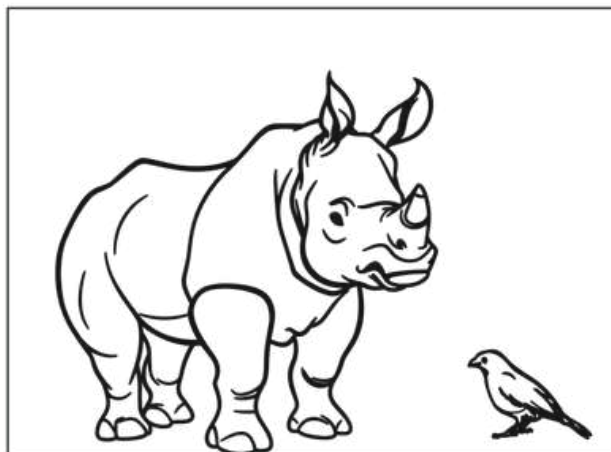

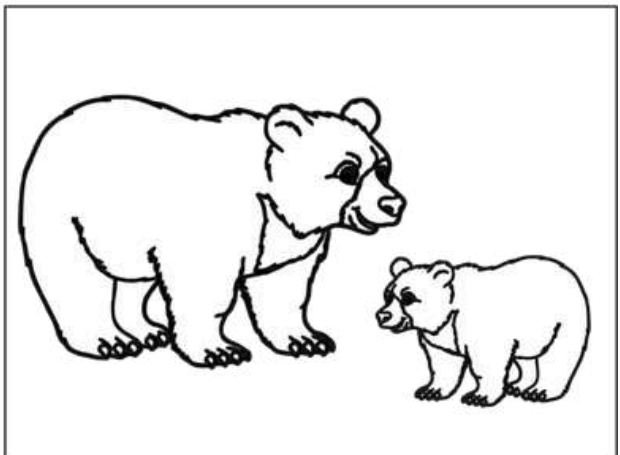

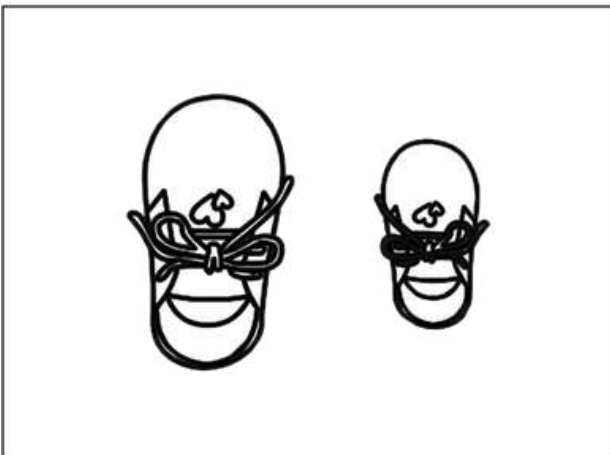

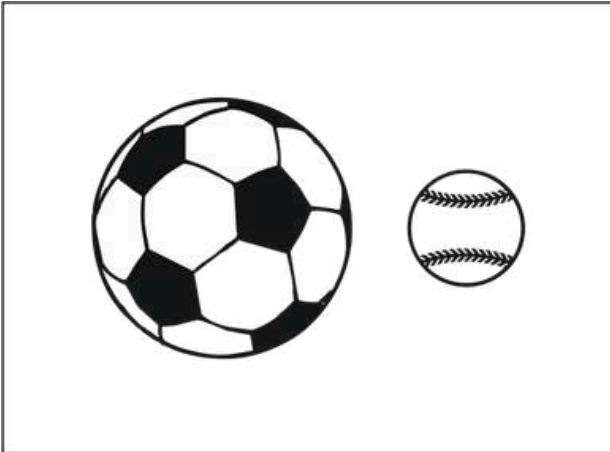

Tall and Short

Circle the picture that is short in each box.

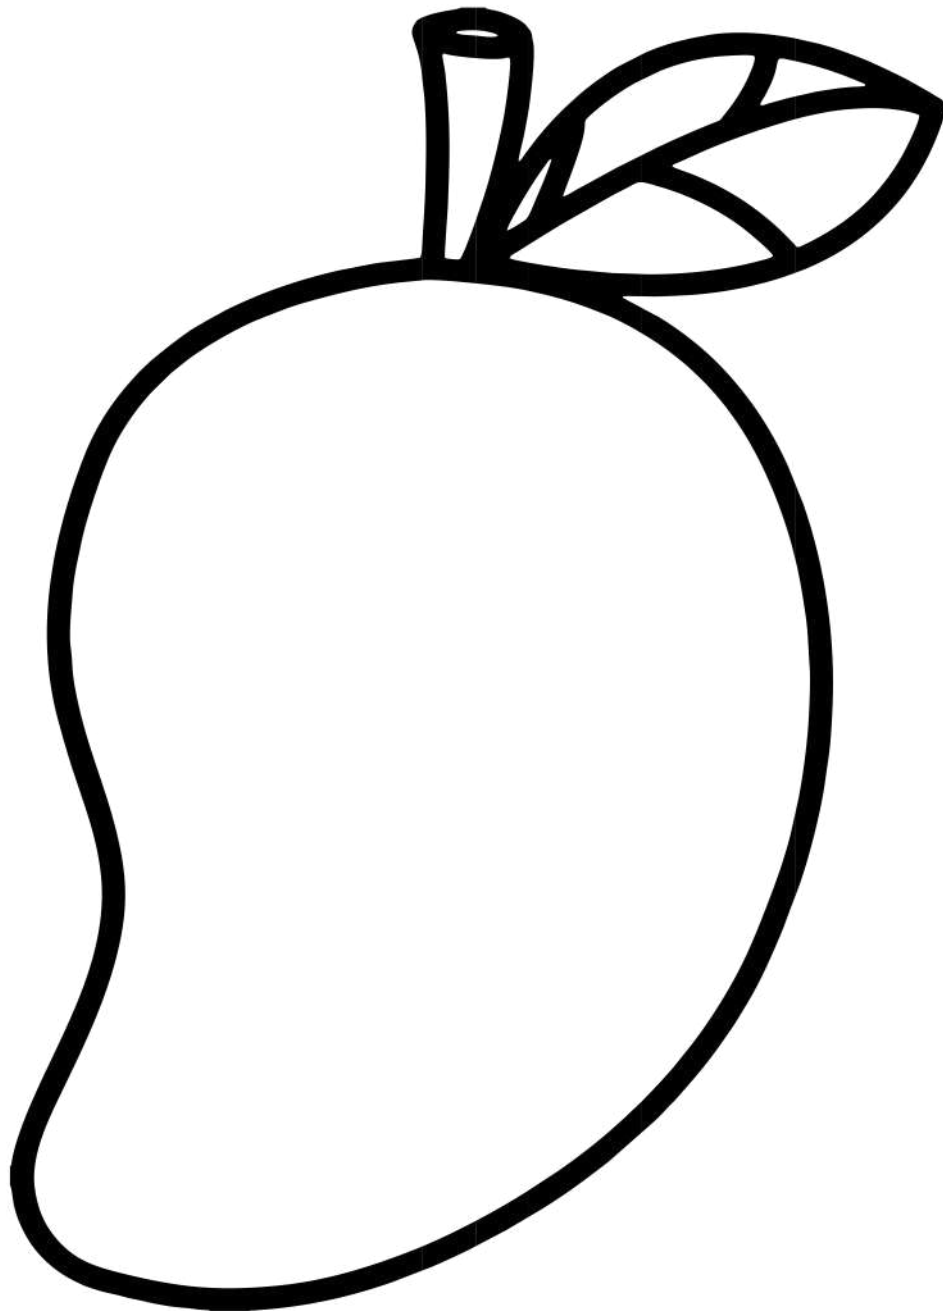

Big and Small

Circle and colour the item that are big in each box.

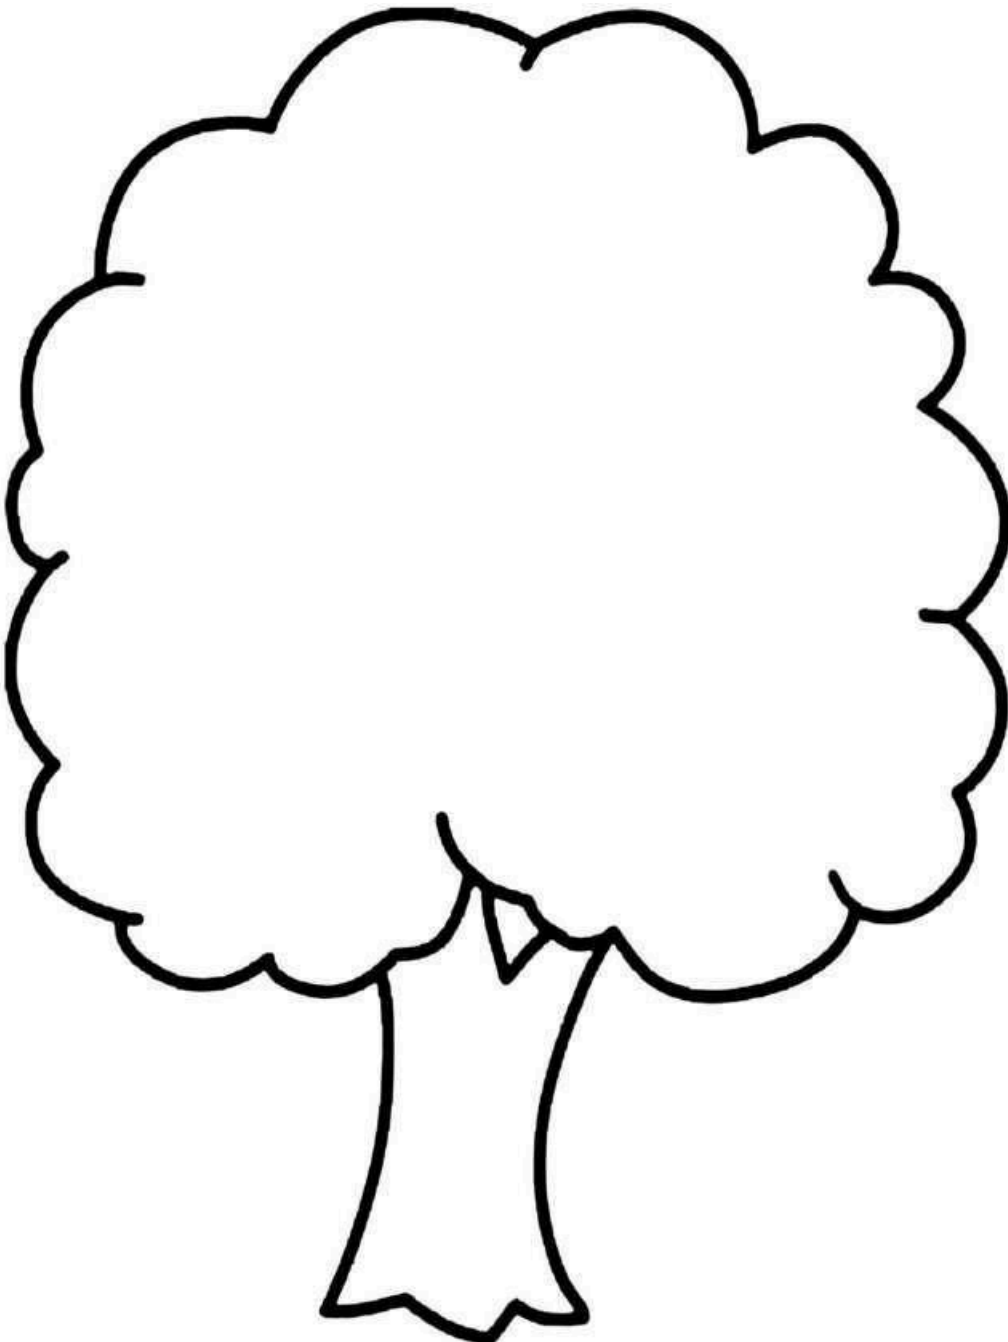

Sponge Dabbing

Let's do spongedabbing onthemangousing the correct primary colour.

Leaf Printing

Collect some leaves and do leaf printing on the tree.

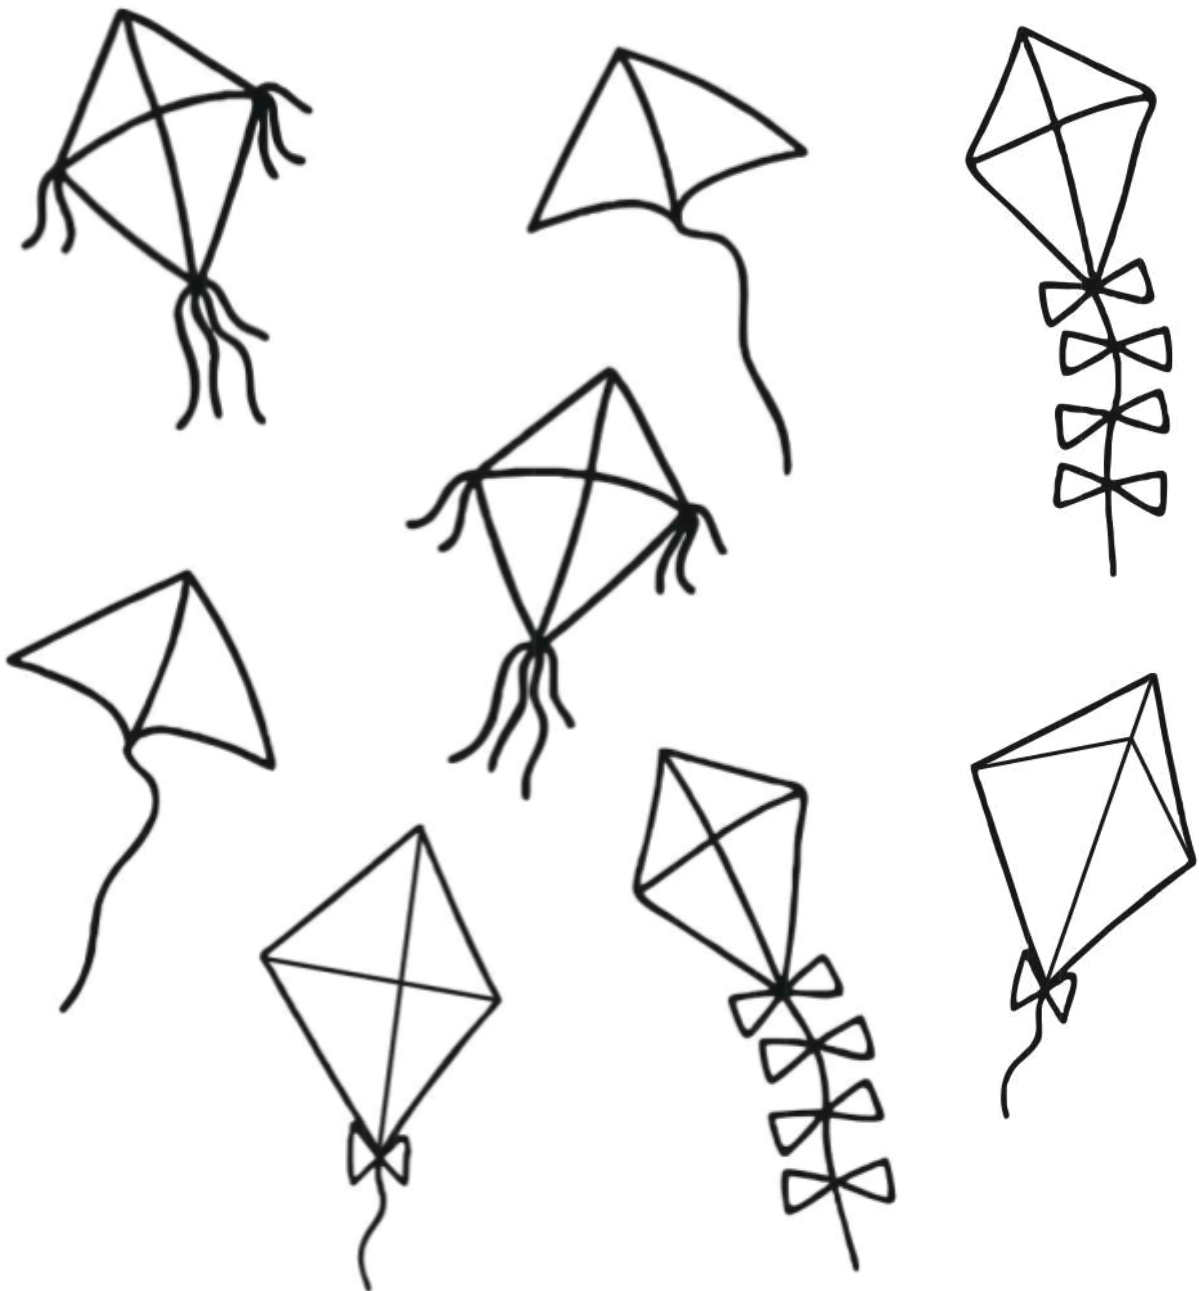

Let's Observe

Let the child paste some cotton on the cloud. Take some grey paint mixed with water and use a dropper to drop the grey water droplets on the cotton till it is completely soaked. Let the child observe how the water droplets drop as raindrops.

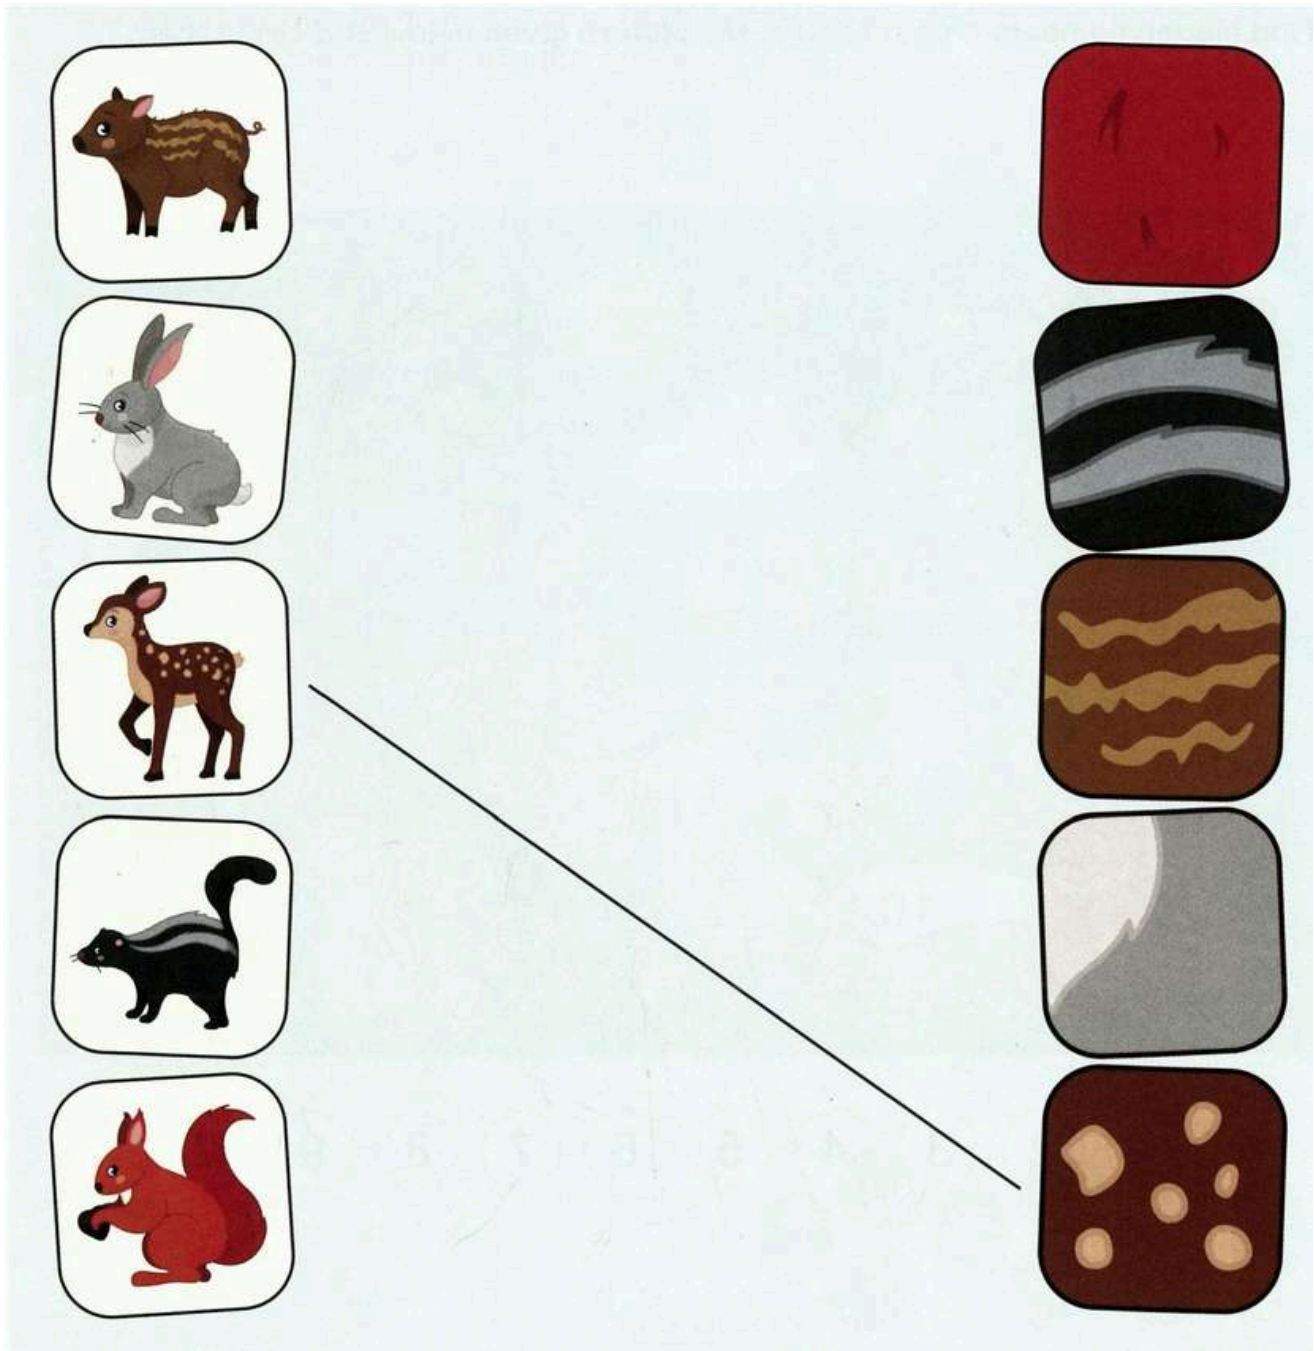

Matching Pairs

Draw lines between kites that match. Then colour the matching pairs using the same colour.

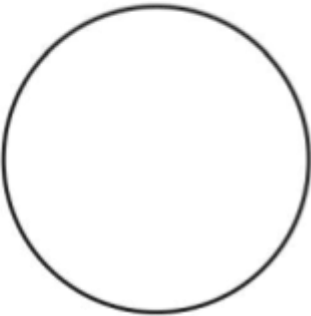

Patch Me Up

Match the square patches to the animals they are a part of. One is done for you.

Shapes

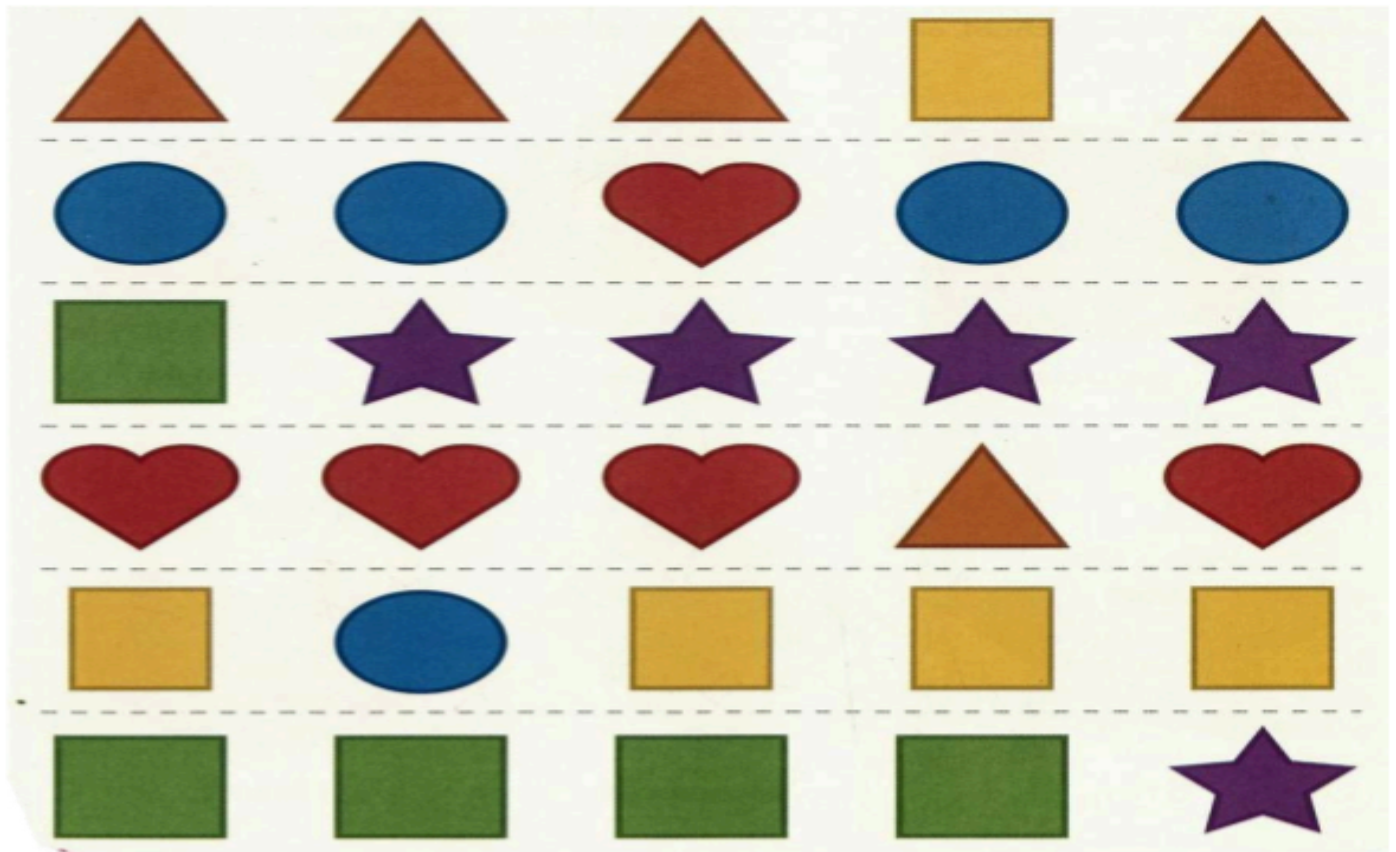

Draw a square, a triangle and a circle.

Colour	Trace	Connect
		
		
		

Name..... Date.....

Spot a Different Shape

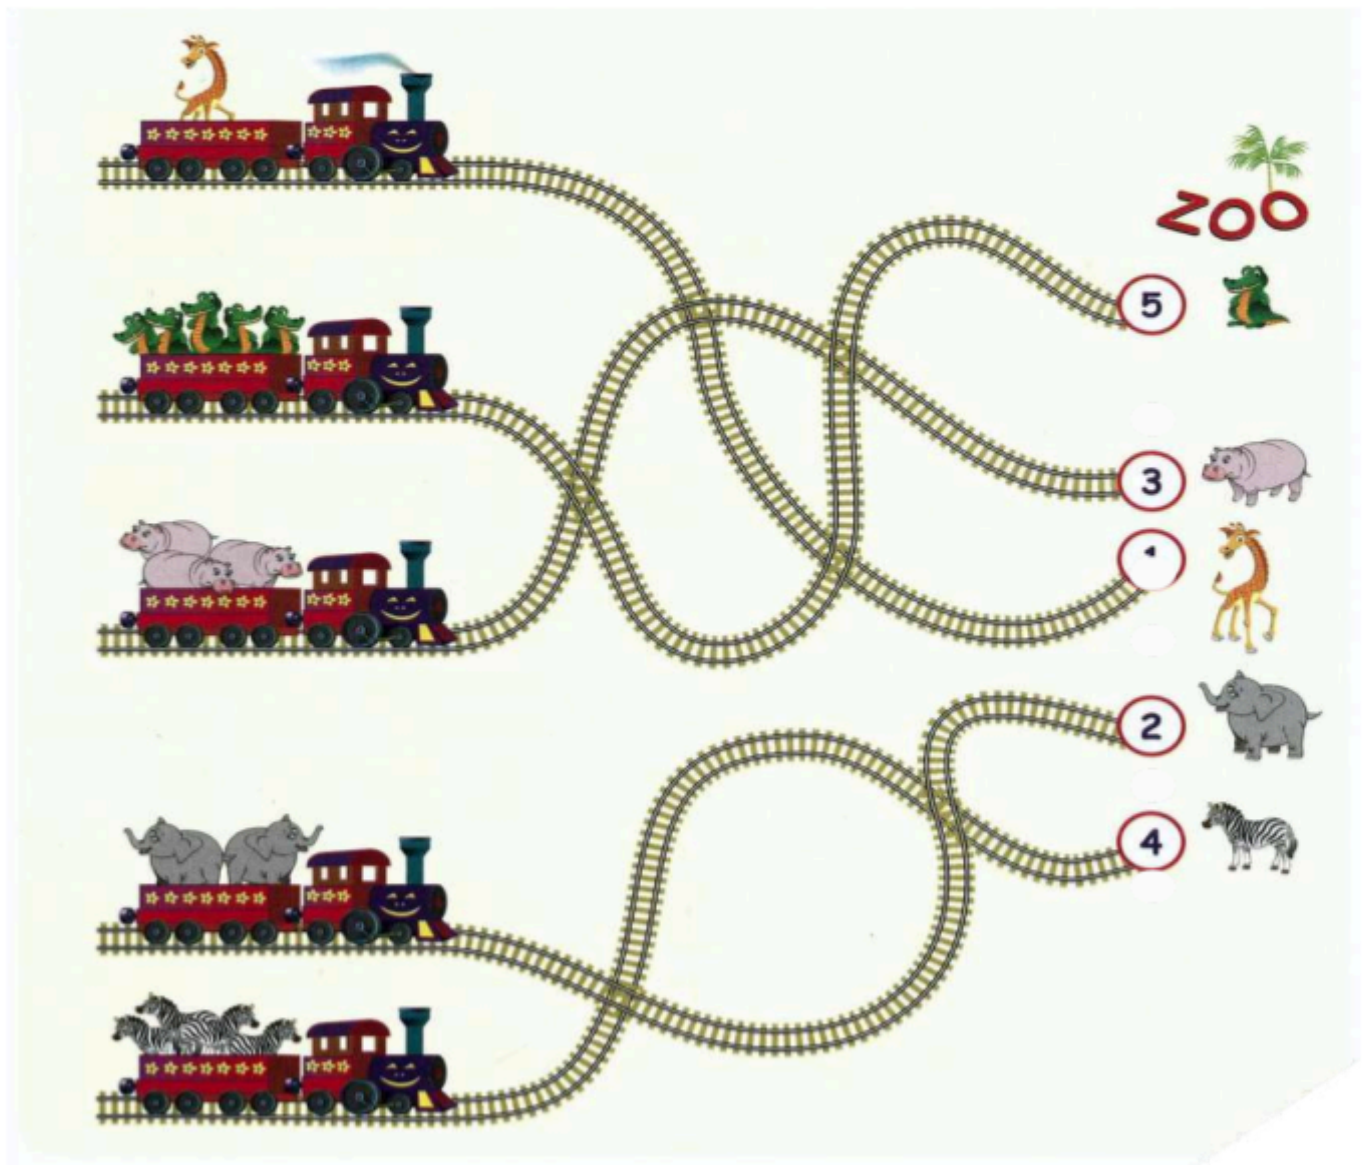

Find the odd one out in each row and circle it.

Name..... Date.....

Going to the Zoo.

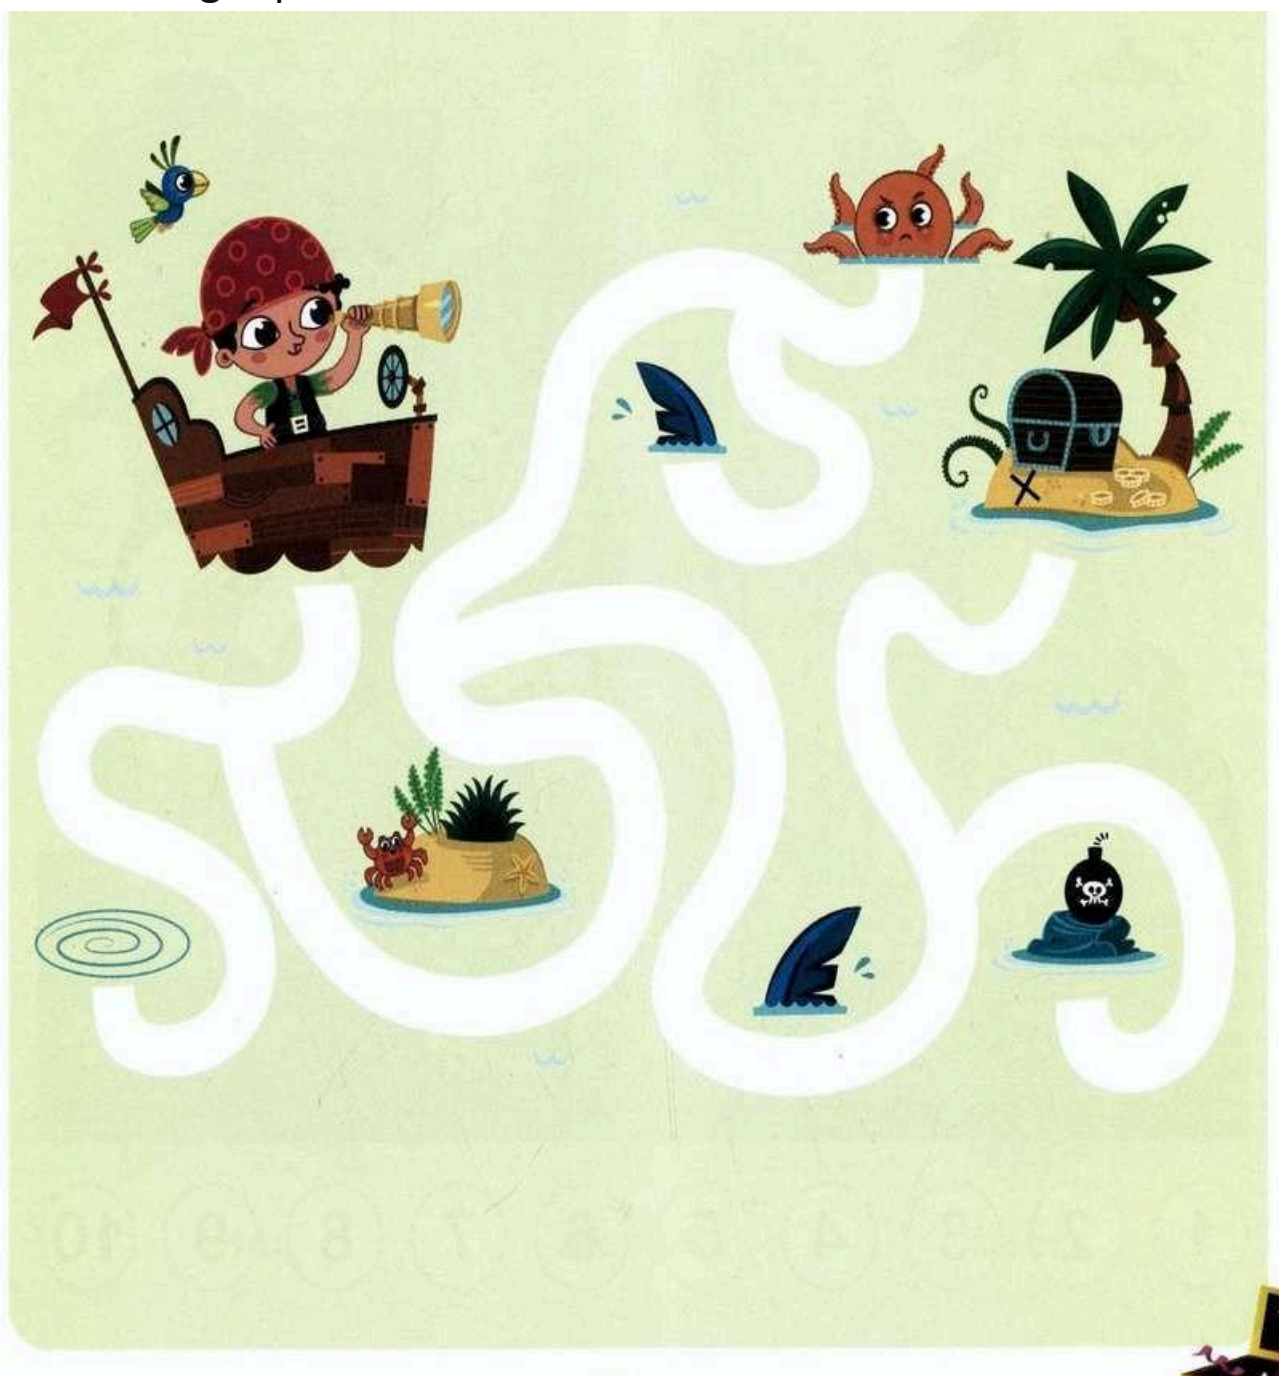

Follow the track and let each animal reach the zoo.

Name..... Date.....

Treasure Hunt

The sailor can see the treasure. There is only one right path to reach the treasure. Can you help the sailor find the right path?

Name.....Date.....

Shapes and Shadows

Match the shape to its correct shadow by drawing a line between them.

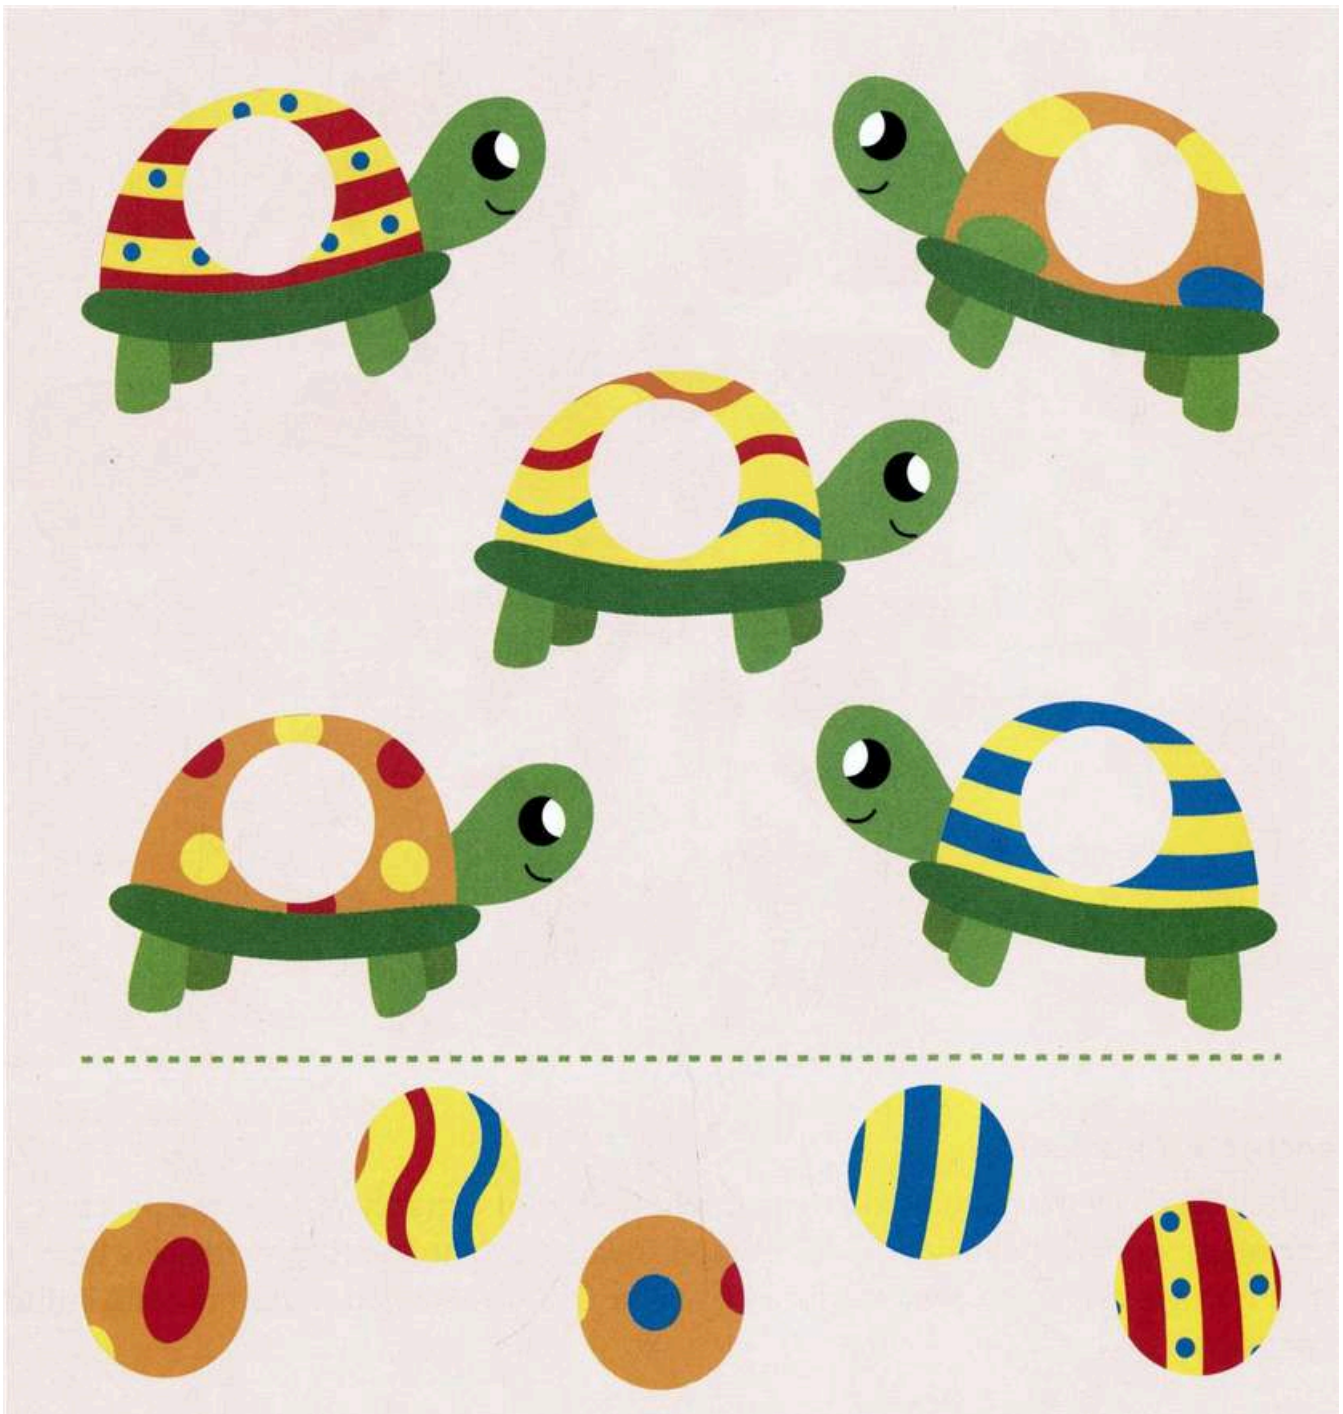

Name.....

Date.....

Matching Patterns

Match the pattern to the correct tortoise by
drawing a line.

Name.....Date.....

Odd Egg Out

Circle the odd one out that does not follow the pattern

Name..... Date.....

Match the Halves

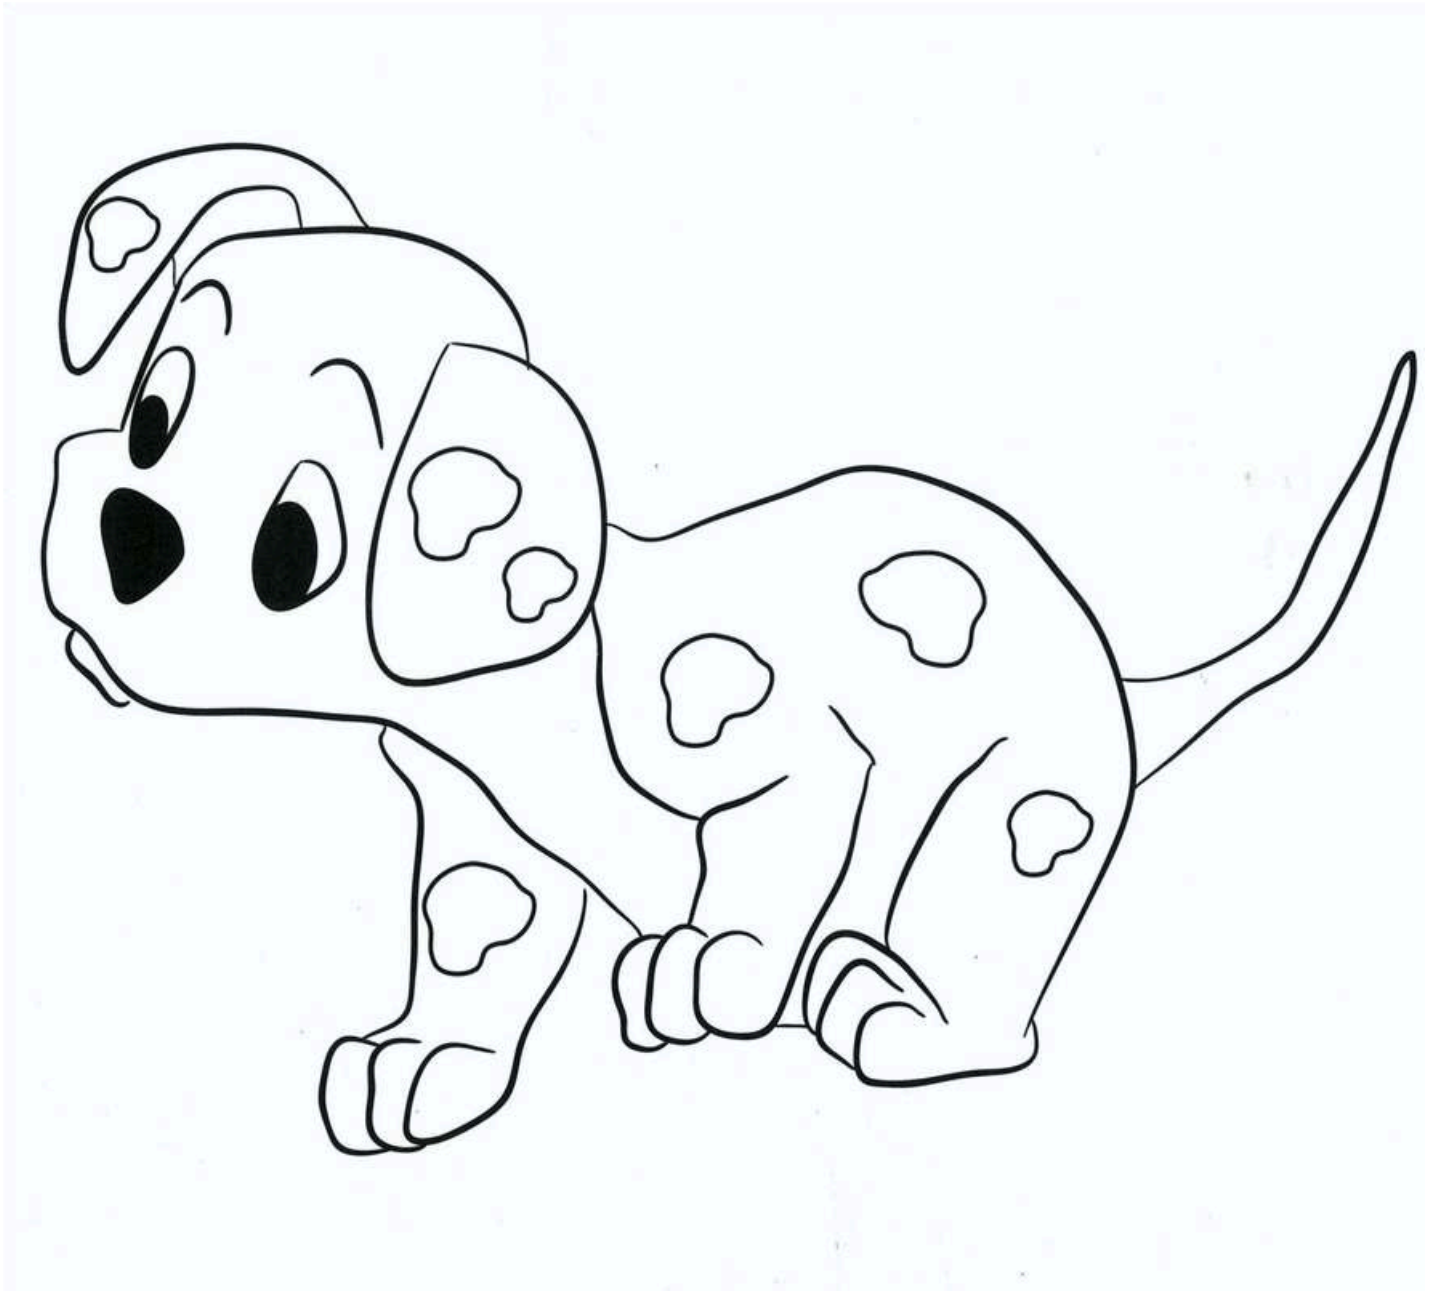

Draw a line to connect each picture on the left with its other half on the right

Name..... Date.....

My Puppy Spot

Colour the puppy except its spots.
Stick pieces of felt paper on the spots.

Name..... Date.....

The King of Manes

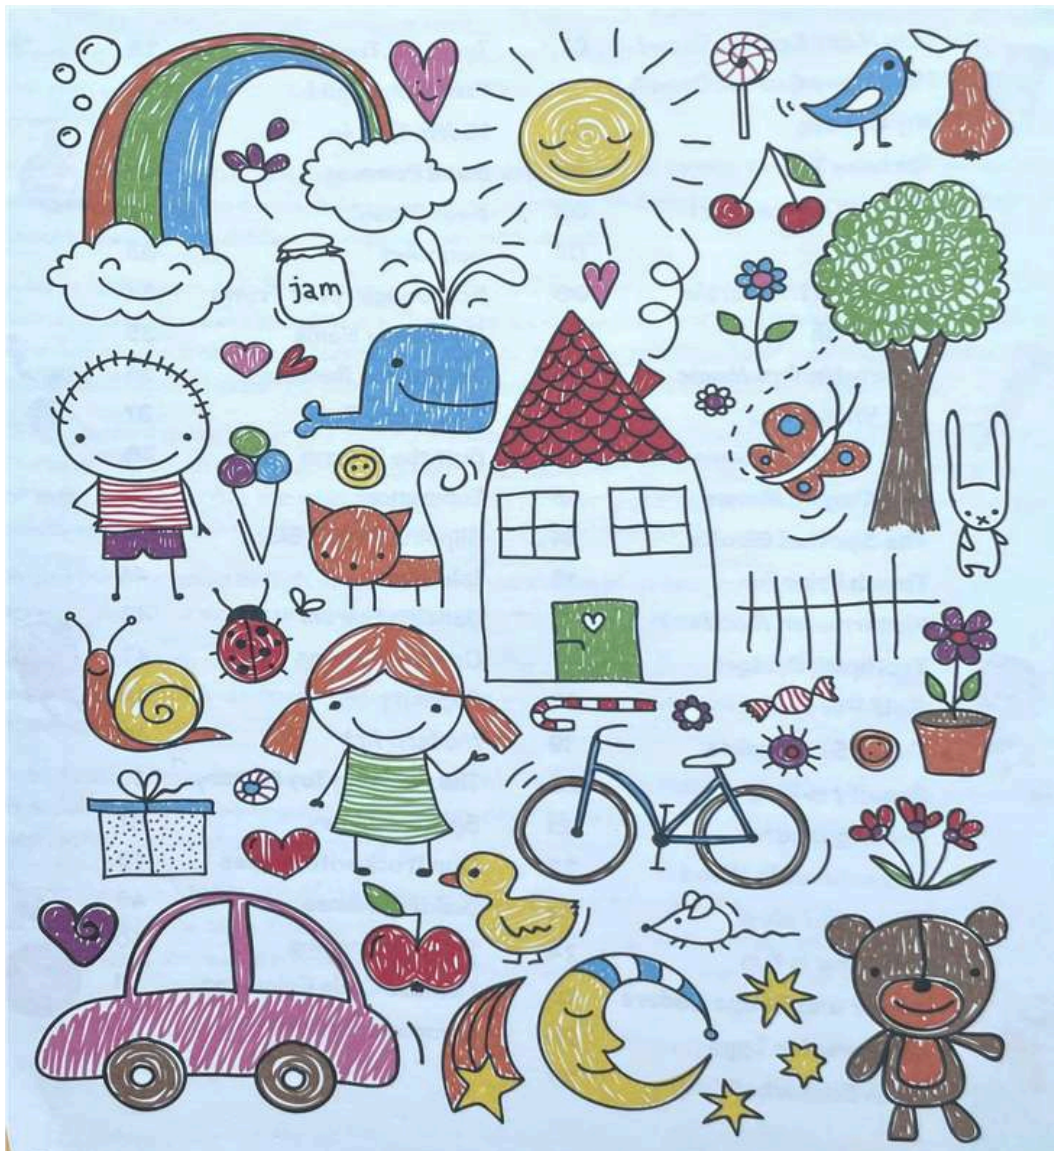

Colour the lion. You can stick the following materials to make the mane:
Coconut fibre, wool, cotton or half dried leaves.

Name..... **Date**.....

How Many Can You Draw? - Part-1

How many of these simpleline drawings canyoudrawand colour? Please draw them on part-2 sheet

Name..... Date.....

Draw and colour. Part-2

How many can you draw from part-1 sheet

Name..... Date.....

The Doll's New Skirt

Let's give the doll a new skirt. Use fabric, lace, newspaper, net or coloured paper to decorate the skirt.

Name..... Date.....

How to Make Salt Dough

Mix 2 cups of all purpose flour,
1 cup salt, half cup of warm
water and 1 tbs vegetable oil.

Divide into portions. Add a
drop of different food colour to
each portion and store in zip
lock bags. Let the child have
fun rolling it into long snakes,
making different shapes and
animals, flattening it with a
rolling pin or hands. Let them
get creative.

Name..... Date.....

Thumb Print Fun

In the spaces given below, make your own thumbprint animal.
