A Message from Our Principal

Dear Students, Parents, and Members of the GD Goenka Family,

As we conclude an incredibly dynamic third quarter of the academic session, I am filled with immense pride reflecting on the journey of our Goenkans. At GD Goenka Public School, Aligarh, our vision has evolved to ensure that every child does not just learn, but develops the resilience and skills to "Thrive. For life." This philosophy guides us to nurture students who are as compassionate and culturally rooted as they are intellectually curious.

The past few months have beautifully illustrated this commitment. Our Diwali Celebrations were a masterclass in creativity and tradition, as students from the Junior to Senior wings illuminated the campus with greeting cards, torans, and intricate rangolis. Beyond the festivities, our visit to the Mangalayatan Jain Temple provided our "little explorers" with a profound experiential learning opportunity, teaching them the timeless principles of peace and non-violence in an interactive setting.

From the innovative triumphs at Sciberation 2025 to the awe-

inspiring session with Astronaut Shubhanshu Shukla, we have consistently sought to expand the horizons of our learners. Whether it was honoring the bravery of the Sahibzades on Veer Bal Diwas or celebrating the scientific and leadership milestones of our Student Council, every event has been designed to build a foundation for lifelong success.

I extend my deepest gratitude to our parents for their partnership during our PTM and congratulate our faculty, especially Ms. Himadri Saraswat, for her recent recognition by the Honorable Governor. Such excellence among our staff ensures that our students are mentored by the best.

As we step into 2026, let us continue to empower our children with the discipline and wisdom they need to Thrive. For life.

With warm regards,

(Dr. Anubhav Lodhi)
