HOLIDAY ENGAGEMENT

**MIDDLE SCHOOL
GRADE 8 : 2026-27**

Dear Parents and Students,

As we step into the much-awaited summer break, I would like to remind each one of you that holidays are not only a time for rest and recreation, but also an opportunity for meaningful learning and personal growth.

The holiday assignments have been thoughtfully designed to encourage students to explore, observe, create, and learn beyond the four walls of the classroom. Learning does not happen only through books; some of life's most valuable lessons emerge through real-world experiences, conversations, travel, reflection, and discovery.

Travel, in particular, can be a deeply enriching experience for young people. Exploring different places, communities, cultures, languages, traditions, and natural environments helps students develop a broader understanding of the world beyond what can be learned in textbooks. Such experiences nurture curiosity, adaptability, confidence, and real-world understanding, while also creating treasured family memories. Meaningful travel experiences also help strengthen local communities and foster a deeper appreciation for the diversity and interconnectedness of society.

As students of our school, I encourage you to carry the spirit of our **THRIVE** values wherever you go:

- **Team-Centric** – Spend quality time with family and friends, learn to cooperate, share responsibilities, and grow together.
- **Harmonious** – Respect the people, cultures, traditions, and environments you encounter during your travels and experiences, promoting understanding and mutual respect.
- **Resilient** – Embrace new experiences and challenges as opportunities to become stronger, more confident, and more adaptable learners.
- **Innovative** – Think creatively, try new activities, solve problems independently, and approach the world with curiosity and imagination.
- **Versatile** – Explore a variety of interests such as reading, travelling, art, sport, nature, or community service, and discover new talents and passions.
- **Empathetic** – Be kind, considerate, and mindful towards others, appreciating the efforts and contributions of people within your community and society.

I encourage all students to complete their holiday assignments sincerely and creatively. Let your work reflect not only knowledge, but also imagination, observation, and personal experiences.

Most importantly, enjoy your holidays responsibly. Read good books, remain physically active, help your parents at home, stay disciplined, and return refreshed with renewed energy and enthusiasm for the upcoming academic session.

Wishing all our students and families a joyful, safe, and enriching summer break.
Warmest regards,

Dr. Anubhav Lodhi

1). निम्नलिखित गद्यांशों को ध्यानपूर्वक पढ़कर निम्न प्रश्नों के उत्तर बीजिए :

धर्म अपनी-अपनी भौगोलिक, सांस्कृतिक और ऐतिहासिक आवश्यकताओं के आधार पर पैदा होते. पनपते और बढ़ते हैं। अतएव उनका बाह्य स्वरूप भिन्न-भिन्न होना आवश्यक और स्वभाविक है. पर सबके भीतर मनुष्य की कल्याण-कामना है. मानव-प्रेम है। यह प्रेम यदि सच्चा है, तो यह बाँधता और सिकोड़ता नहीं, बल्कि हमारे हृदय और दृष्टिकोण का विस्तार करता है। स्पष्ट है कि ऊपर से भिन्न दिखाई देने वाले सभी धर्म अपने मूल में मानव-कल्याण की एक ही मूल परंपरा को लेकर चले और चल रहे हैं। हम सभी इस सच्चाई को जानकर भी जब धार्मिक विद्वेष की आँधी में बहते हैं, तो कितने दुर्भाग्य की बात है। उस समय हमें लगता है कि चिंतन और विकास के इस दौर में आ पहुँचने पर भी मनुष्य को उस जंगली-हिंसक अवस्था में

लौटने में कुछ भी समय नहीं लगता, अतएव उसे निरंतर यह बाद दिलाना होगा कि धर्म मानव-संबंधों को तोड़ता नहीं, जोड़ता है। इसकी सार्थकता प्रेम में ही है।

(क) सभी धर्म किन आवश्यकताओं के आधार पर पैदा होते, पनपते और बढ़ते हैं?

(ख) विभिन्न धर्मों के बीच कौन-सा तत्व समान है?

(ग) धर्म की सार्थकता किसमें है?

2). शुभ मुहूर्त में महारानी माया ने पुत्र सहित सफ़ेद पालकी में बैठकर नगर में प्रवेश किया। नगरवासियों ने उनका बड़ी प्रसन्नता से स्वागत किया। महाराज शुद्धोदन की खुशी का तो कोई ठिकाना न था। उन्हें अपना उत्तराधिकारी मिल गया था। पुत्र जन्म के शीघ्र बाद ही उन्हें अपने अनेक उद्देश्यों की प्राप्ति में सफलता मिली। उनके सभी मनोरथ सफल हो गए। उनका राज्य धन-धन्य और हाथी-घोड़ों से संपन्न हो गया। धरती पर हरियाली छा गई। चारों ओर प्रेम-मित्रता का वातावरण छा गया। पाप कर्म नष्ट हो गए। लोग सदाचारी जीवन बिताने लगे। सर्वत्र सुख-शांति का साम्राज्य छा गया। राजकुल को सभी प्रकार की सिद्धियाँ प्राप्त हुई। इसी से बालक का नाम सिद्धार्थ रखा गया।

महारानी अपने पुत्र जन्म का ऐसा दैवीय प्रभाव देख-देखकर बहुत प्रसन्न थीं। पर वह यह सुख अधिक समय तक न भोग सकीं और कुछ ही दिनों बाद उनका स्वर्गवास हो गया। छोटा-सा शिशु मातृहीन हो गया। तब मौसी प्रजापति गौतमी ने माँ की तरह अत्यंत लाड़-प्यार से सिद्धार्थ का पालन-पोषण किया। गौतमी सिद्धार्थ से इतना प्रेम करती थीं कि उन्हीं के नाम पर बालक को गौतम कहा जाने लगा।

सिद्धार्थ राजमहल में अपने संगी-साथियों के साथ खेलते हुए धीरे-धीरे बड़ा होने लगा। कुमारावस्था बीत जाने पर महाराज ने विधिपूर्वक उसका उपनयन संस्कार किया और उसकी शिक्षा का समुचित प्रबंध किया। सिद्धार्थ बहुत ही बुद्धिमान और भावुक था। उसने थोड़े समय में ही अनेक विद्याएँ सीख लीं। विद्या ग्रहण करते-करते सिद्धार्थ ने युवावस्था में प्रवेश किया।

(क) बालक का नाम सिद्धार्थ क्यों रखा गया ?
