HOLIDAY ENGAGEMENT

JUNIOR SCHOOL
KG : 2026-27

Dear Parents and Students,

As we step into the much-awaited summer break, I would like to remind each one of you that holidays are not only a time for rest and recreation, but also an opportunity for meaningful learning and personal growth.

The holiday assignments have been thoughtfully designed to encourage students to explore, observe, create, and learn beyond the four walls of the classroom. Learning does not happen only through books; some of life's most valuable lessons emerge through real-world experiences, conversations, travel, reflection, and discovery.

Travel, in particular, can be a deeply enriching experience for young people. Exploring different places, communities, cultures, languages, traditions, and natural environments helps students develop a broader understanding of the world beyond what can be learned in textbooks. Such experiences nurture curiosity, adaptability, confidence, and real-world understanding, while also creating treasured family memories. Meaningful travel experiences also help strengthen local communities and foster a deeper appreciation for the diversity and interconnectedness of society.

As students of our school, I encourage you to carry the spirit of our **THRIVE** values wherever you go:

- **Team-Centric** – Spend quality time with family and friends, learn to cooperate, share responsibilities, and grow together.
- **Harmonious** – Respect the people, cultures, traditions, and environments you encounter during your travels and experiences, promoting understanding and mutual respect.
- **Resilient** – Embrace new experiences and challenges as opportunities to become stronger, more confident, and more adaptable learners.
- **Innovative** – Think creatively, try new activities, solve problems independently, and approach the world with curiosity and imagination.
- **Versatile** – Explore a variety of interests such as reading, travelling, art, sport, nature, or community service, and discover new talents and passions.
- **Empathetic** – Be kind, considerate, and mindful towards others, appreciating the efforts and contributions of people within your community and society.

I encourage all students to complete their holiday assignments sincerely and creatively. Let your work reflect not only knowledge, but also imagination, observation, and personal experiences.

Most importantly, enjoy your holidays responsibly. Read good books, remain physically active, help your parents at home, stay disciplined, and return refreshed with renewed energy and enthusiasm for the upcoming academic session.

Wishing all our students and families a joyful, safe, and enriching summer break.
Warmest regards,

Dr. Anubhav Lodhi

Principal

GD Goenka Public School, Aligarh

Dear Parents and Students,

As we step into the much-awaited summer break, I would like to remind each one of you that holidays are not only a time for rest and recreation, but also an opportunity for meaningful learning and personal growth.

The holiday assignments have been thoughtfully designed to encourage students to explore, observe, create, and learn beyond the four walls of the classroom. Learning does not happen only through books; some of life's most valuable lessons emerge through real-world experiences, conversations, travel, reflection, and discovery.

Travel, in particular, can be a deeply enriching experience for young people. Exploring different places, communities, cultures, languages, traditions, and natural environments helps students develop a broader understanding of the world beyond what can be learned in textbooks. Such experiences nurture curiosity, adaptability, confidence, and real-world understanding, while also creating treasured family memories. Meaningful travel experiences also help strengthen local communities and foster a deeper appreciation for the diversity and interconnectedness of society.

As students of our school, I encourage you to carry the spirit of our **THRIVE** values wherever you go:

LIFE ESKILLS

THEME

Kitchen Helpers Fresh Food
Helpers!

LEARNING OUTCOME

Problem-solving, fine
and gross

motor skills, hand-eye
coordination, healthy eating,
food safety awareness,
teamwork and
communication, critical
thinking and creativity

**FRESH FOOD
HELPERS!**

Let's wash and sort fruits and
veggies!

Put them in separate
baskets and store them
in the fridge. Help find
the right spot for each
item to keep the fridge
organized.

**Click lots of pictures
and create fridge
magnets!**

LIFE SKILLS

THEME

My Environment

Nurturing young explorers!

LEARNING OUTCOME

Scientific inquiry, curiosity, measurement skills, observation and recording, patience, understanding of plant growth! and responsibility.

SEED WATCHERS!

Let's plant seeds in a pot! Every day, we'll water them and watch them grow. We can draw pictures of what we see happening. Who can tell me

what the seed looks like today?

LIFE SKILLS

THEME

Helping Hands

LEARNING OUTCOME

Fine motor skills, teamwork and communication, responsibility, independence and sorting skills

WASHING MACHINE HELPERS

Let's help Mom or Dad put dirty clothes in the washing machine! We can sort clothes, like putting all the socks together. Then, when the wash is done, we can help take them out and put them in the basket. "Who can help me put this toy shirt in the machine?"

FIRELESS COOKING

Fruit Lollies

<https://pin.it/1KZ1H1m8R>

Scoop Out Salad

<https://pin.it/ENBBz3ziF>

Banana SnowMan

<https://pin.it/2w3qoye3v>

LIFE SKILLS- "MY LITTLE PLAN FOR A BIG, BRIGHT DAY!"

Instructions - Paste this chart on your study table. Track your daily routine for 20 days by ticking off each activity you complete. Give yourself one star sticker for every activity completed. Find out which day you earned the most stars and reflect on what made it successful.

Learning Outcomes - Responsibility, self-care, self-esteem, self-confidence, and independence.

[illegible]

EXPERIENTIAL LEARNING - DISCOVER THE LEGACY

MONUMENT

QUTUB MINAR

LEARNING OUTCOME

- Identify Qutub Minar as a tall, historic monument in Delhi.
- Develop curiosity about history and cultural heritage through visual and guided observation.
- Recognize shapes and patterns such as towers, arches, and carvings in architectural design.
- Enhance vocabulary with words like minar, monument, carving, and stone.
- Practice respectful behaviour at a heritage site and understand the importance of preserving old buildings.
- Express their experience creatively through drawing, colouring, or speaking about what they observed.

STREAM LEARNING

EXPERIMENT

Ceiling Rainbows

THINGS REQUIRED

- Flashlight
- Clear plastic cup
- Clear square container
- Water in a pitcher

STEPS TO FOLLOW

- Darken the room.
- Switch on the flashlight and place the cup on top of the flashlight.
- Gently pour water into the cup and observe the ceiling for rainbows.
- Repeat the same activity using the square container.
- What kind of rainbows did you see? Did you notice any difference when using the different containers?

LEARNING OUTCOME

- Understand the concept of observing and identifying a rainbow.

Recognize colourful light patterns on the ceiling and identify them as rainbows.

- Understand cause and effect.

Learn that when light passes through water, it can create a rainbow.

- Compare and describe differences.

Notice and explain differences in rainbow shapes and patterns when using a round cup versus a square container.

- Learn basic scientific concepts.

Begin to understand that water acts like a prism, bending and separating light into different colours.

- Connect science to nature.

Relate this experiment to natural rainbows in the sky after rain, understanding that raindrops also act like tiny prisms.

SCIENTIFIC CONCEPT

The rainbow shape is determined by the container

shape. The water creates a prism through which the light travels.

Raindrops are also prisms that create rainbows.

KG SUMMER READING

Dear Parents,

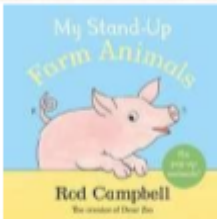

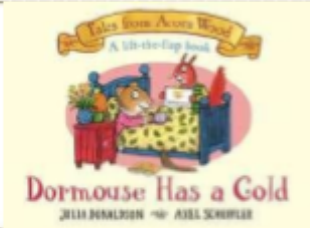

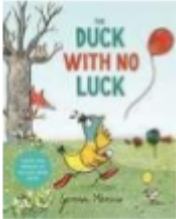

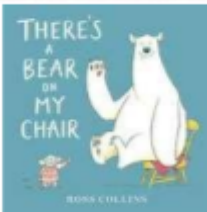

Summer reading for little Goenkans is important! Research shows that children who read during the holidays are better prepared for the upcoming academic year and are less likely to experience the “summer slide”—the loss of reading and learning skills during the summer break.

Make reading during “down-time” an opportunity for family members to bond together. Attached is a curated book list with links for your review. Please choose books that interest your child.

Happy, relaxing reading!

Dot to Dot

Connect the dots in the correct order.

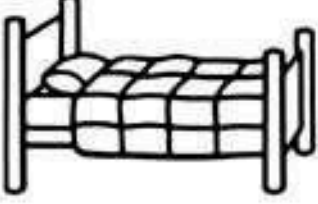

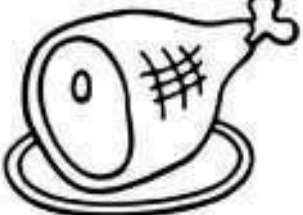

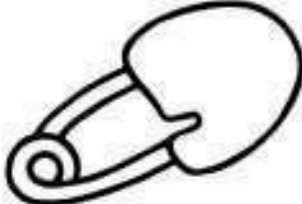

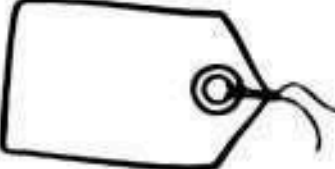

Beginning Sounds

Write the beginning sound for each picture.

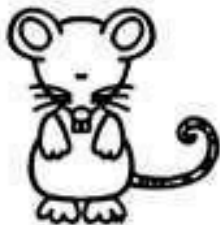

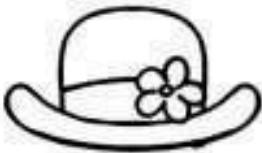

Ending Sounds

Write the ending sound of each word.

 b e	 b u	 n e
 c a	 h a	 p i
 j a	 t a	 c a

'at' family

Cut and paste the words beside the matching picture.

hat

bat

fat

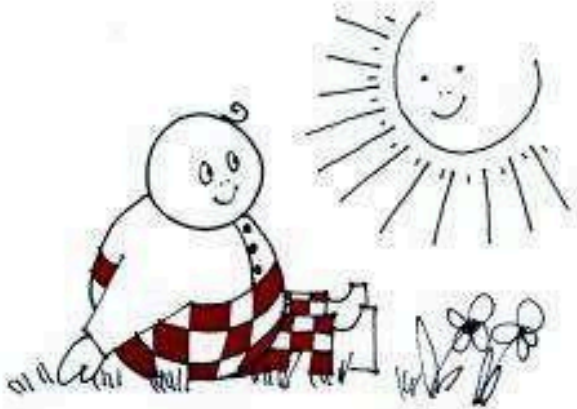

cat

rat

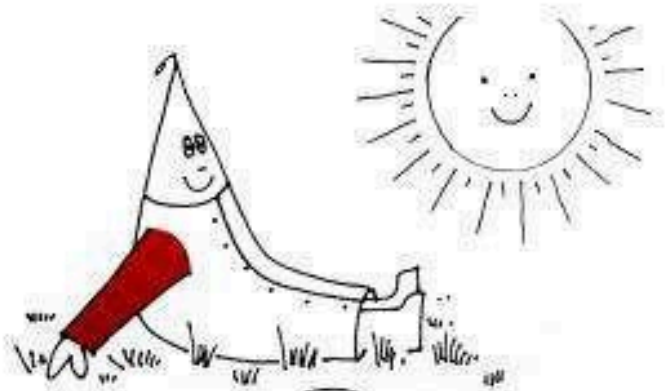

Sentence Construction

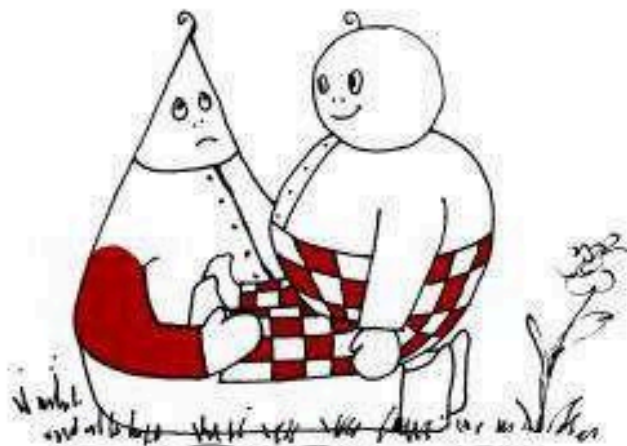

Unscramble the words and write the correct sentence

sat Mat

sat Sam

sat a Sam on Mat

Grab a Snack

The rat family sat for a snack. Find and circle the 7 objects whose name includes the short a sound hidden in this Hidden Pictures puzzle.

hat

fan

bat

cat

mat

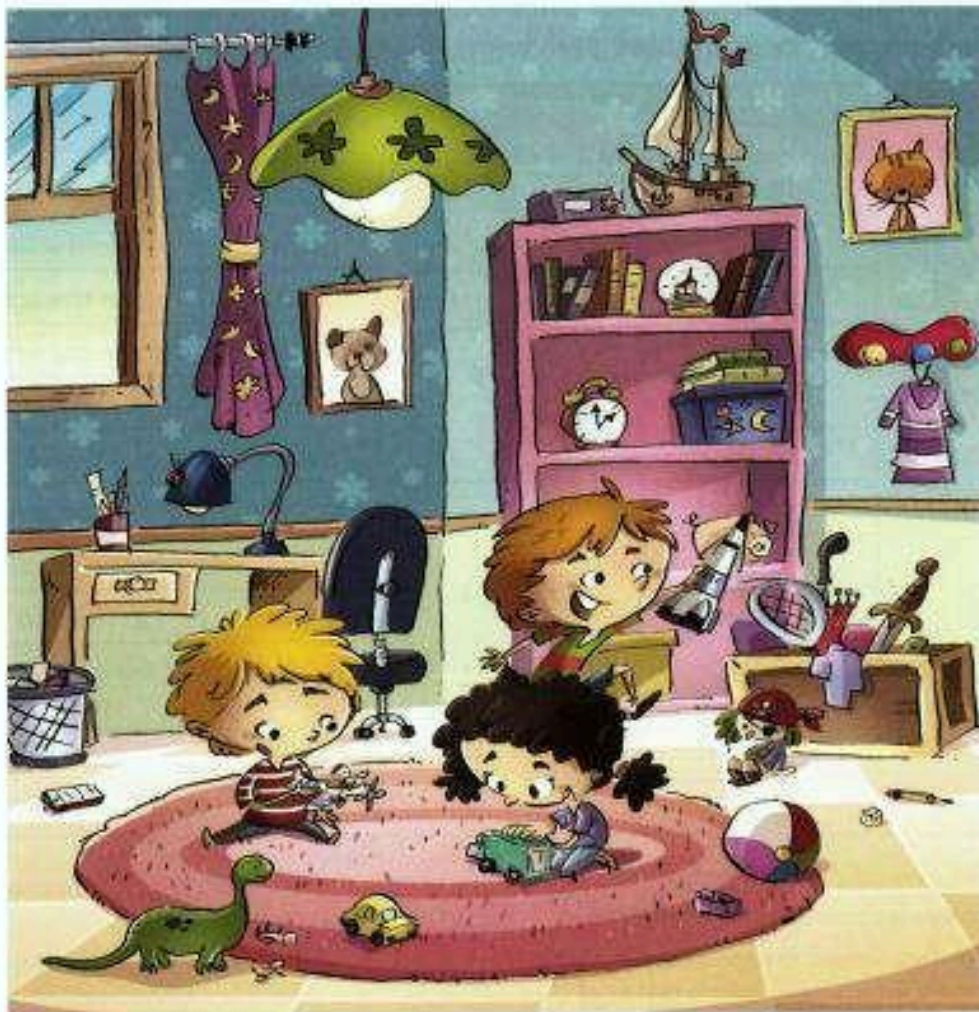

can

pan

Where am I placed?

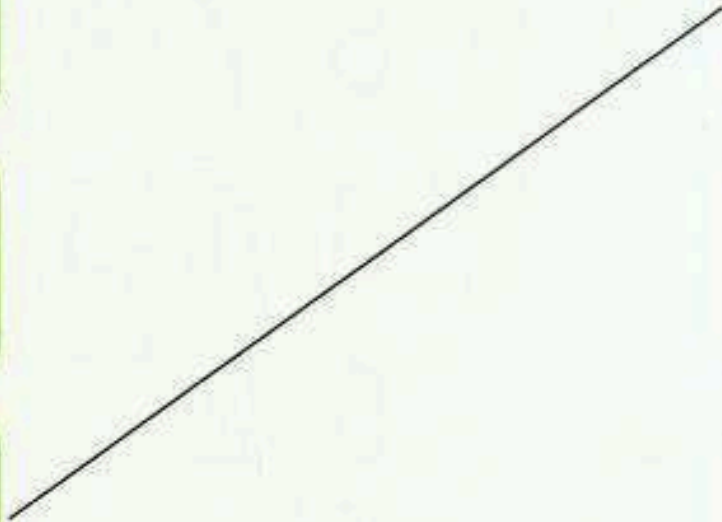

Look at the picture and circle the 'T' if the statement is true or circle the 'F' if the statement is not true.

1. The sword is behind the box. T / F
2. The girl is near the desk. T / F
3. The picture of the dog is under the rug. T / F
4. The dinosaur is in front of the waste paper basket. T / F
5. The ball is on the carpet. T / F
6. The books are against the window. T / F
7. The picture of the cat is above the dog's picture. T / F
8. The pirate doll is far away from the dustbin. T / F

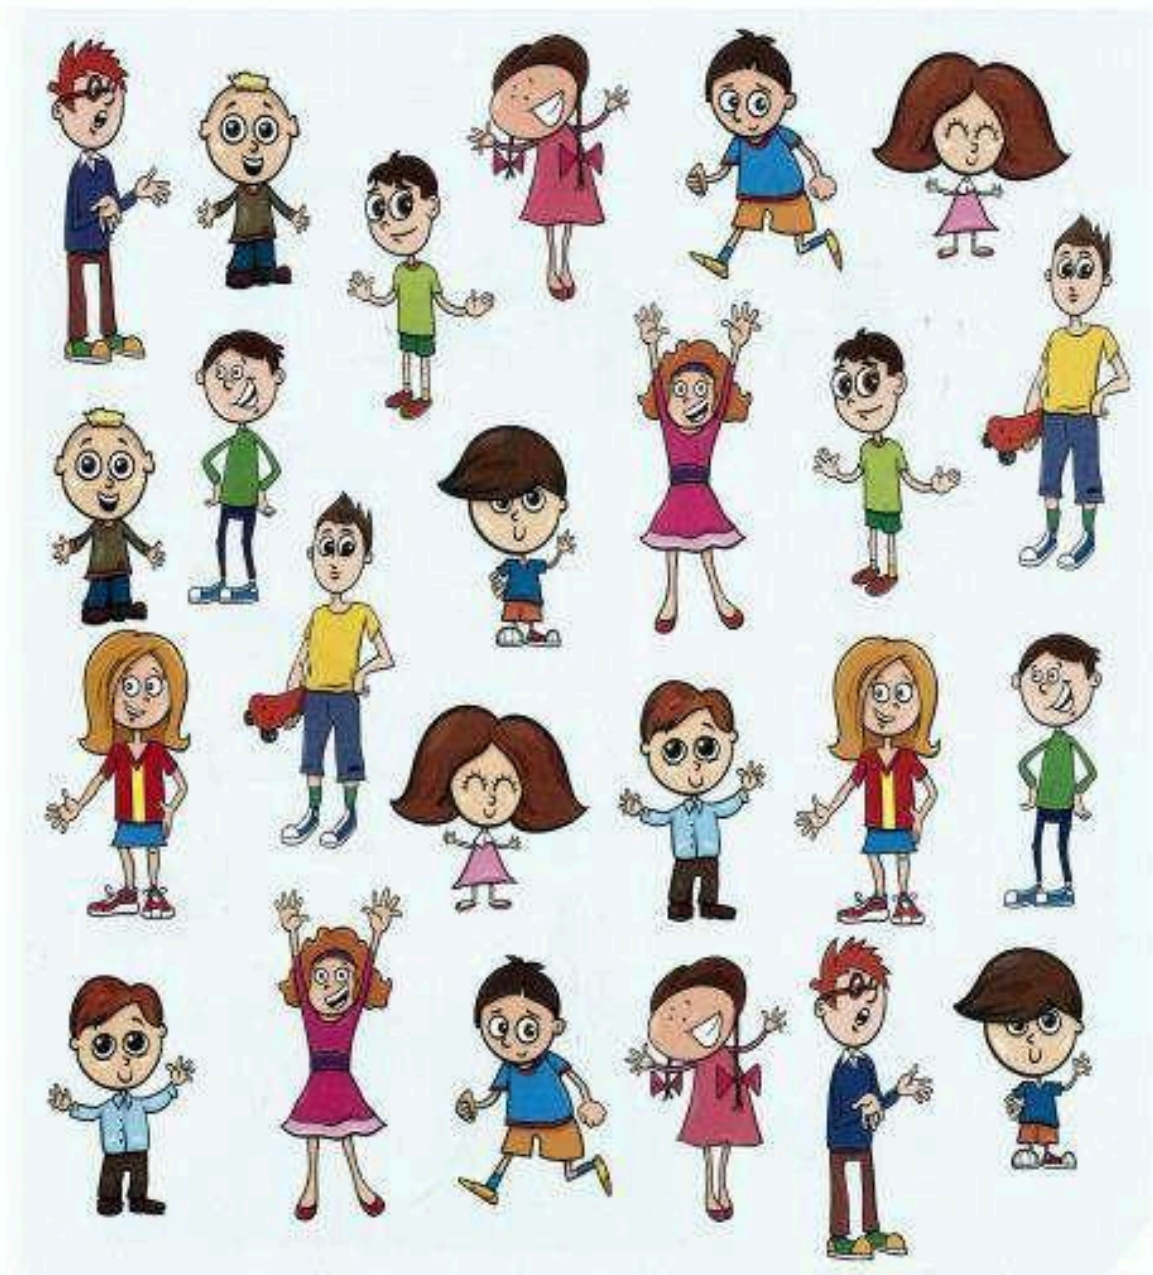

Match the Direction

Match the direction of the object to the arrows.
One is done for you.

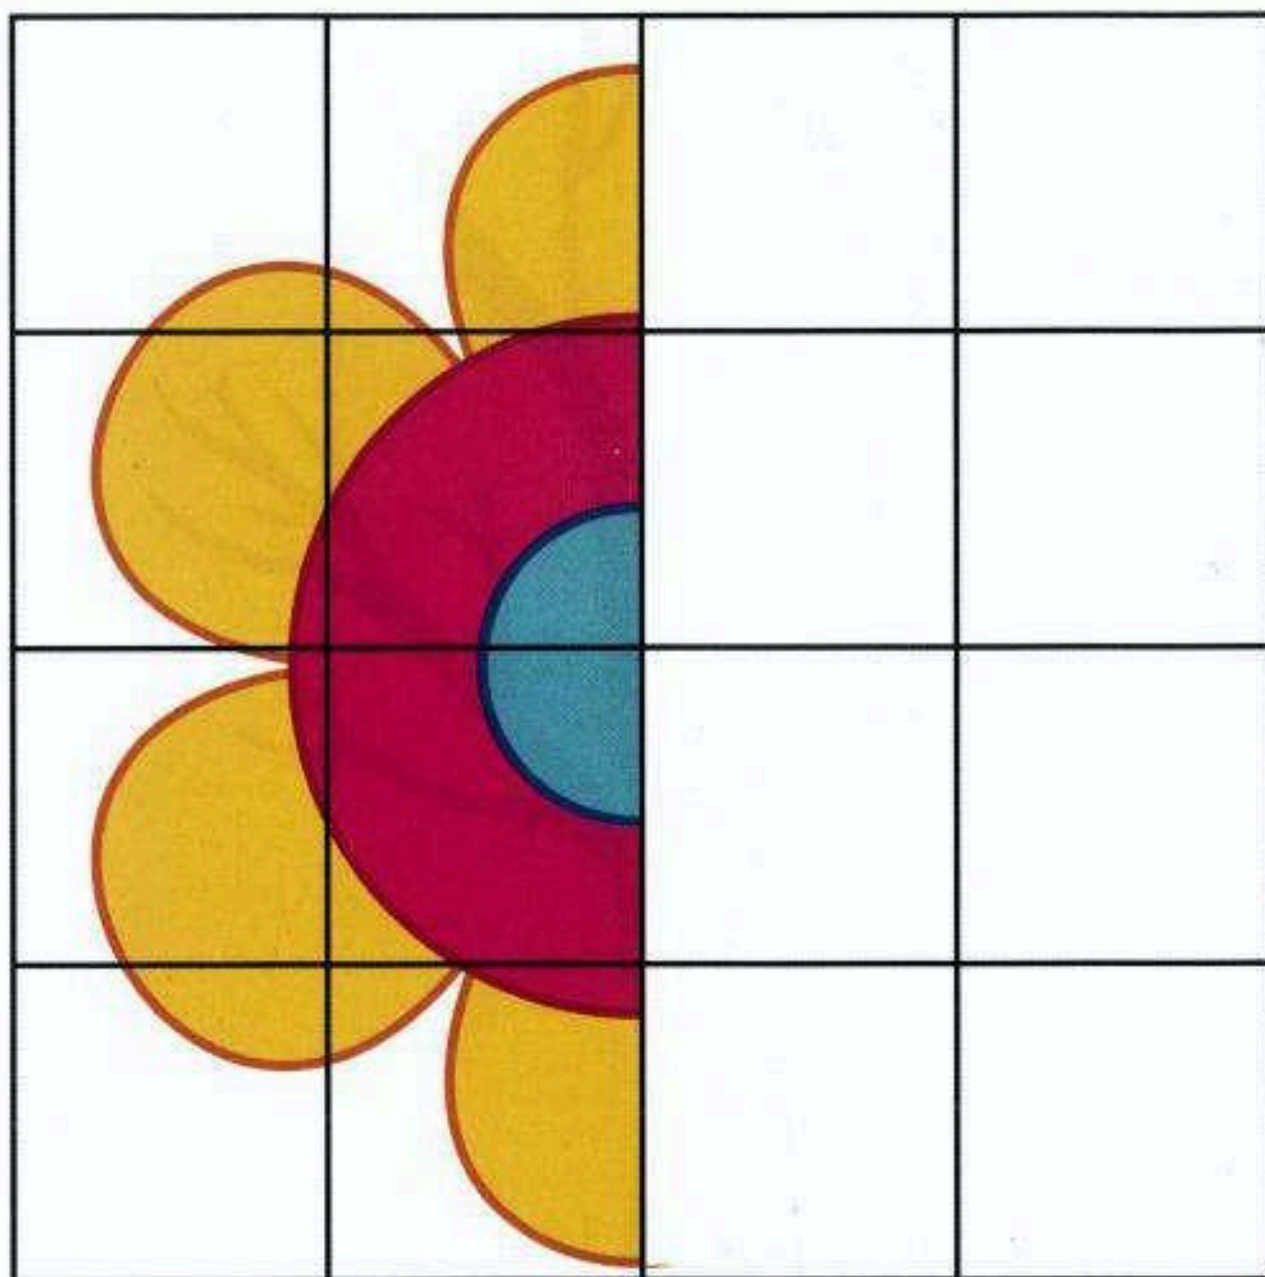

Find my Match

Match the children who look the same. Put a circle on the matching children. Did you find someone without a match? Draw a square around that child.

Symmetry

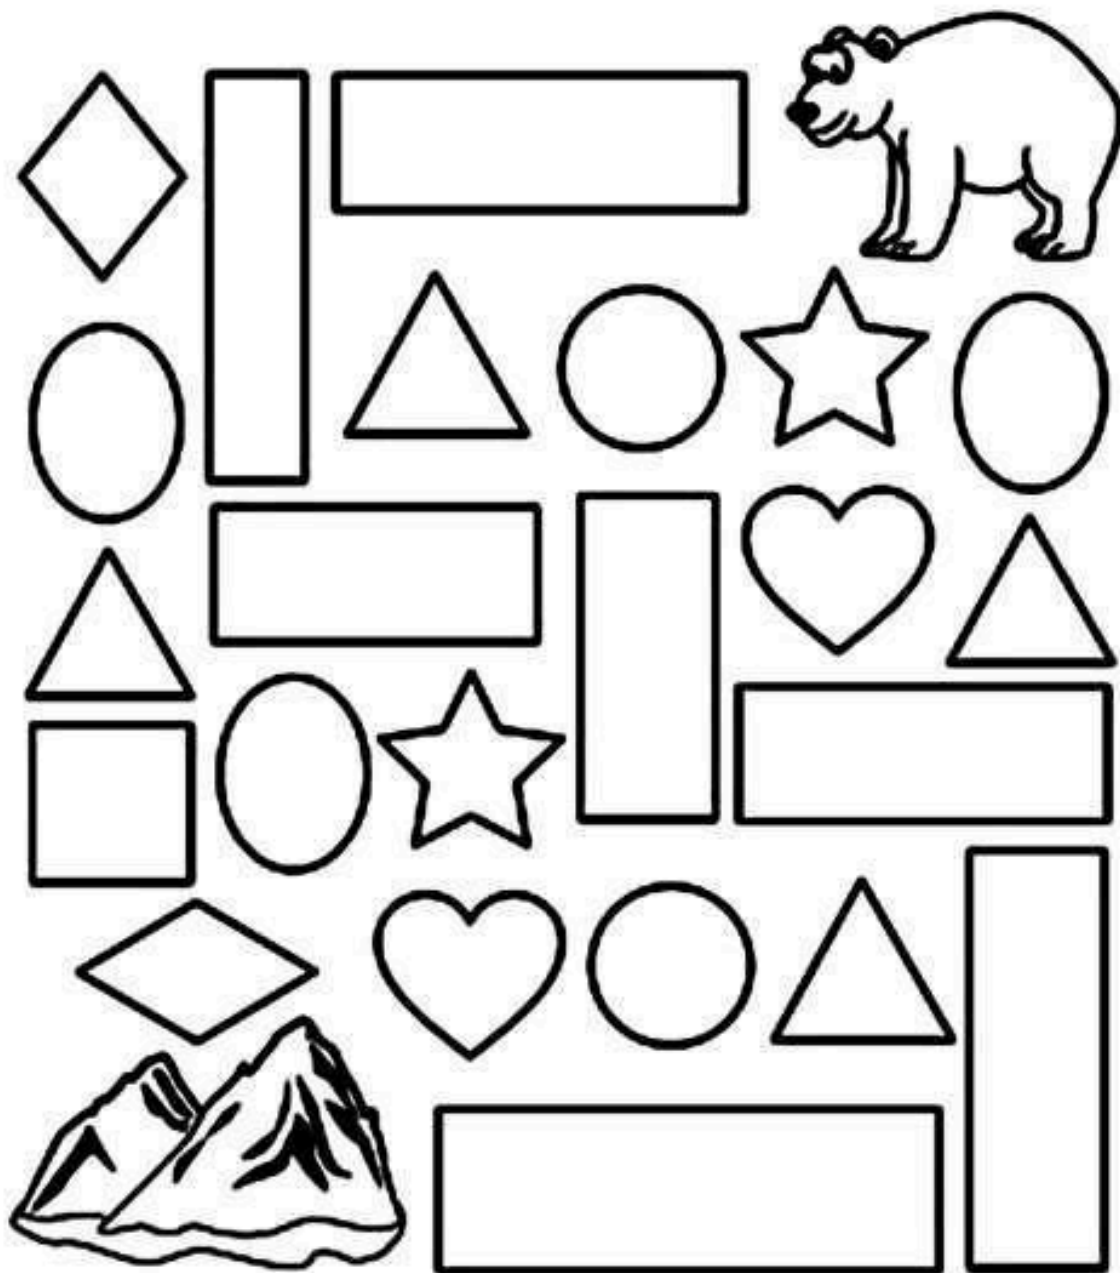

A magician has taken away half of this flower.
Help to put it back. Draw the other half and colour it.

Name..... Date.....

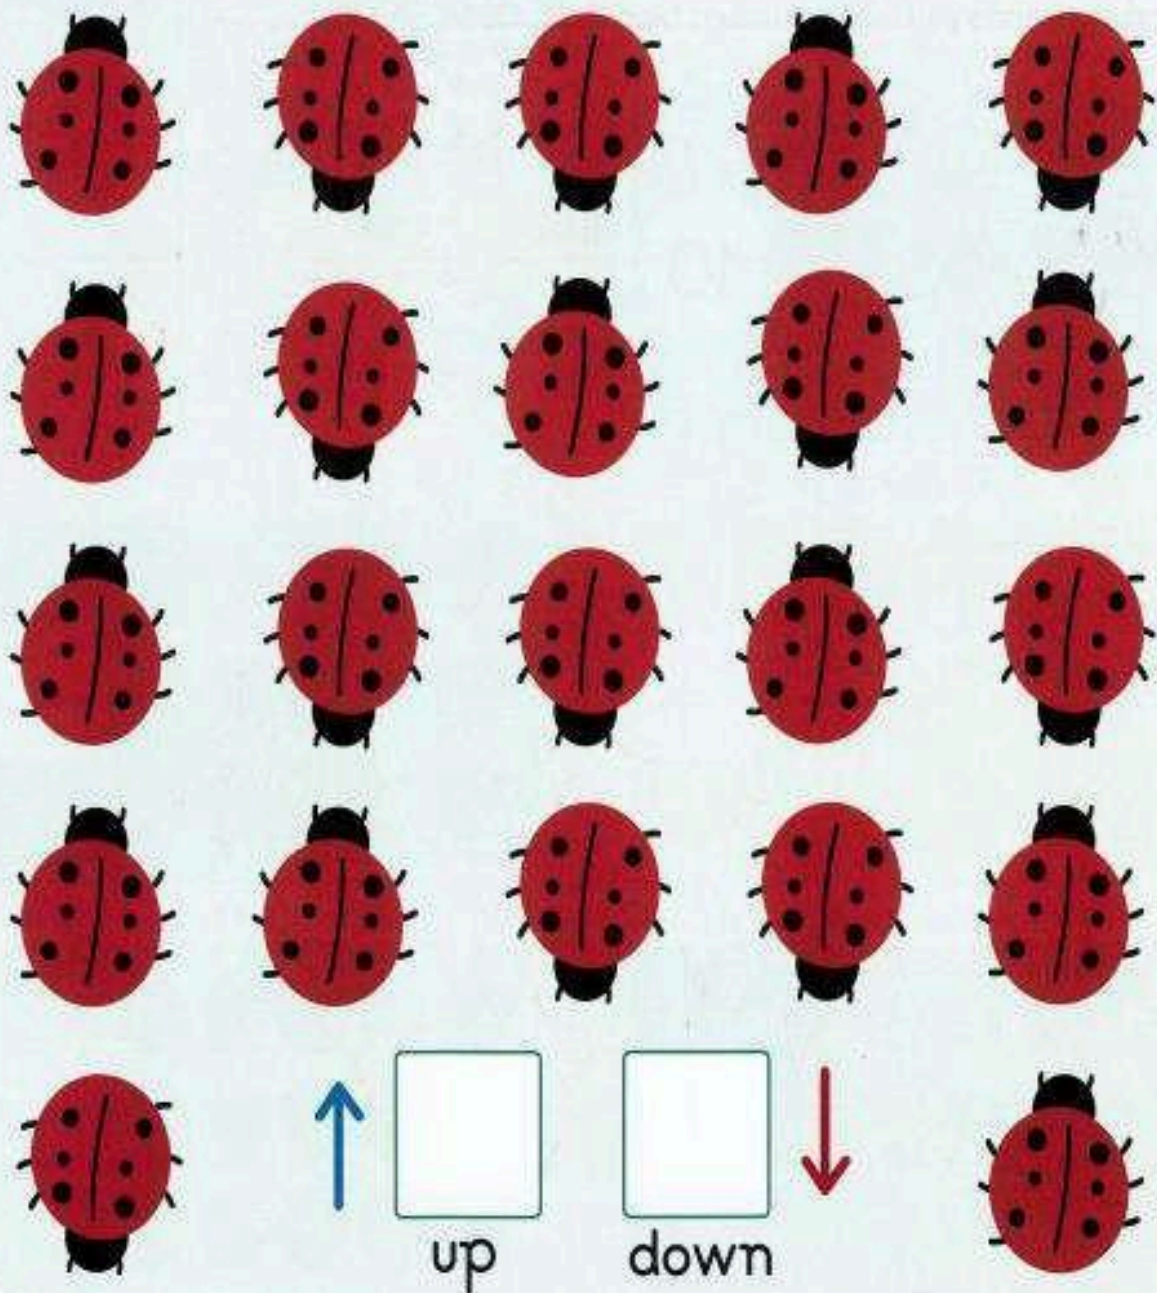

Shapes Maze

Colour the rectangle shapes to help the polar bear find the path to the mountain.

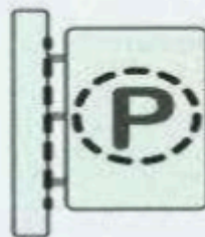

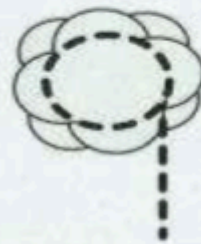

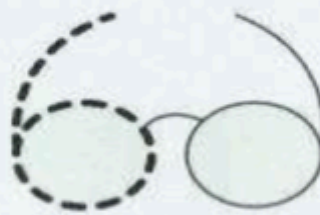

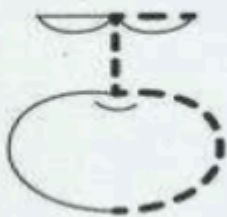

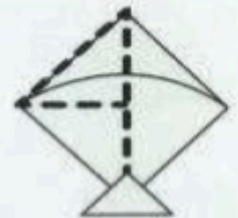

Up and Down

Look at the pictures. Count and write or draw lines to show how many ladybugs are going up and how many are going down.

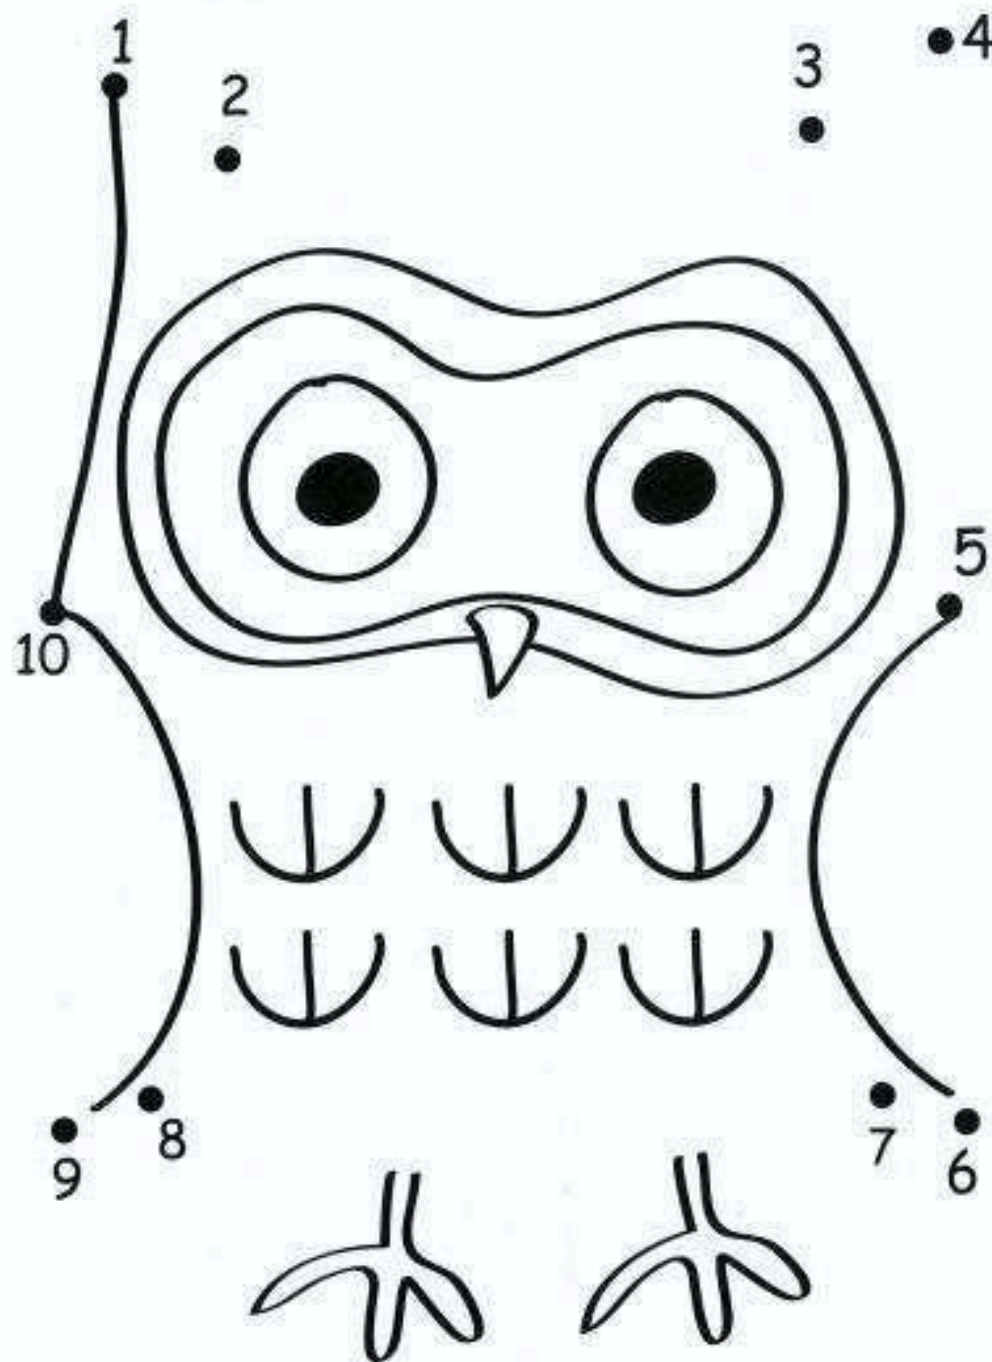

Finding Number in Shapes

Trace the numbers on the dotted lines.
Colour the pictures.

Hoot! Hoot!

Connect the dots and colour the owl.
Stick some feathers on its body.

Insect I Spy

Count each object and write the number in correct box.

Continents

Match each continent with its name

● South America

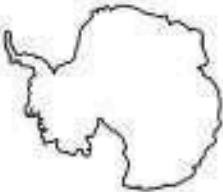

● Asia

● Antarctica

● North America

● Europe

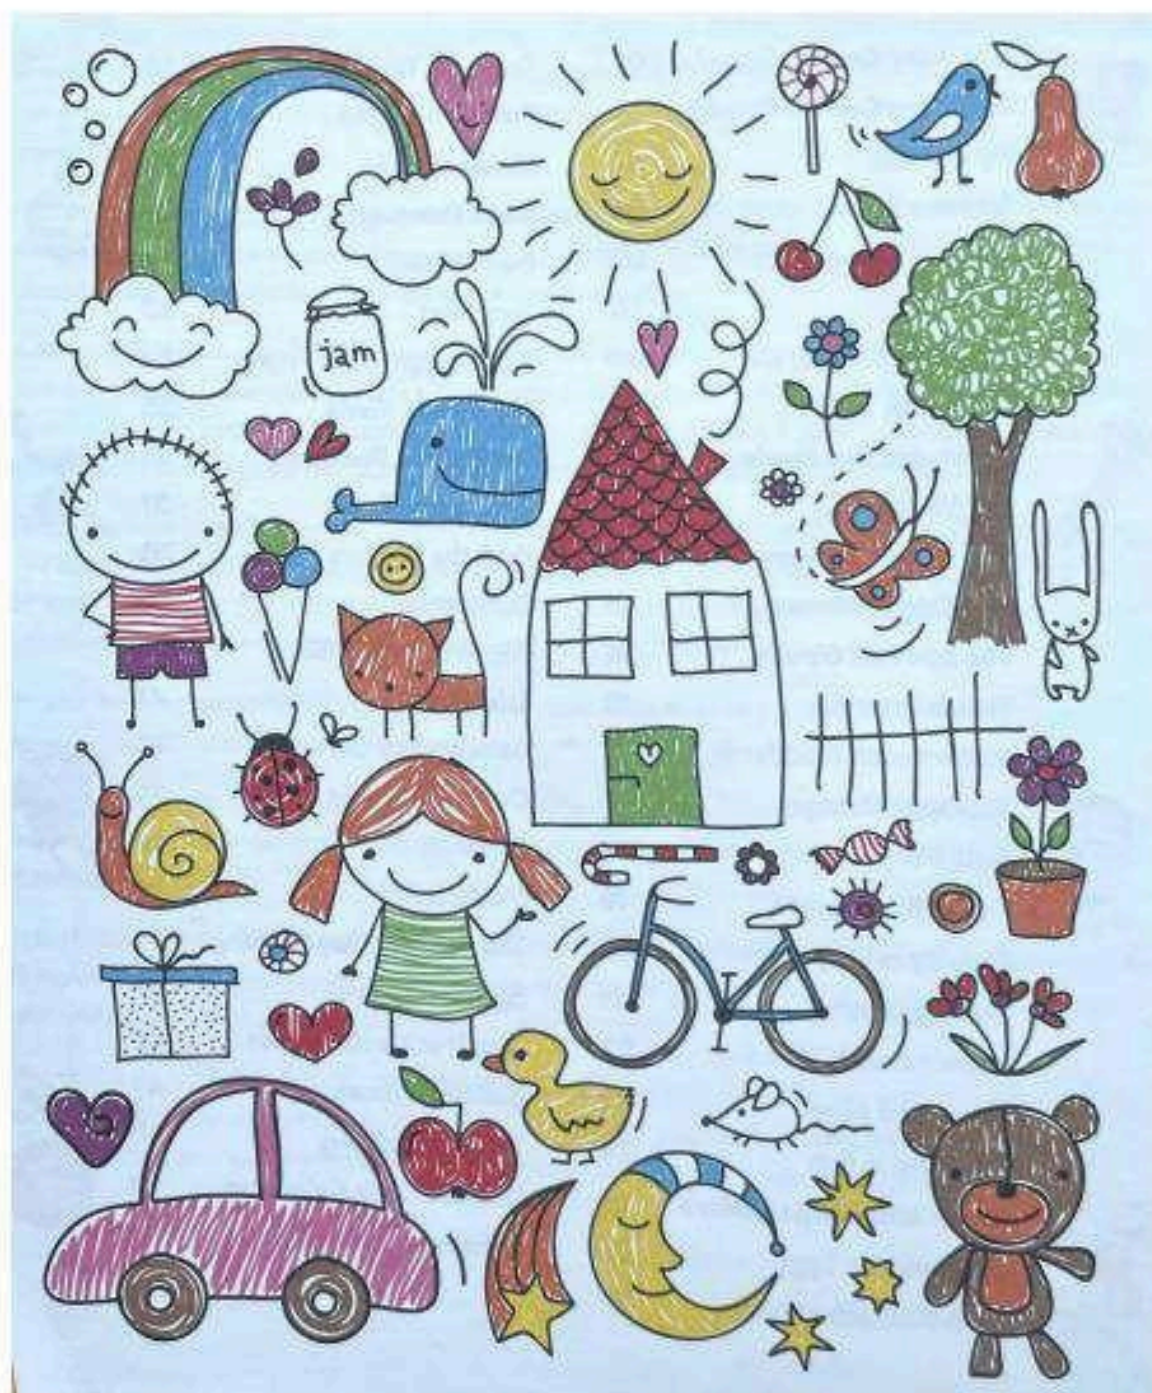

● Africa

● Australia

How Many Can You Draw? - Part-1

How many of these simple line drawings can you draw and colour? Please draw them on part-2 sheet

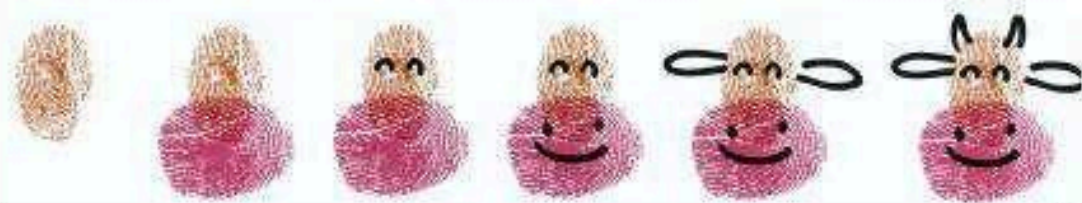

Draw and colour. Part-2

How many can you draw from part-1 sheet

Thumb Print Fun

In the spaces given below, make your own thumb print animal.

The Doll's New Skirt

Let's give the doll a new skirt. Use fabric, lace, newspaper, net or coloured paper to decorate the skirt.

How to Make Salt Dough

Mix 2 cups of all purpose flour, 1 cup salt, half cup of warm water and 1 tbs vegetable oil.

Divide into portions. Add a drop of different food colour to each portion and store in zip lock bags. Let the child have fun rolling it into long snakes, making different shapes and animals, flattening it with a rolling pin or hands. Let them get creative.
